

Southwest Suburban Conference Opens Music Festival at L-W; Will Give Concert Friday Night

The seven schools comprising the Southwest Suburban High school conference open a two-day music festival today at Lincoln-Way high.

The affair will close tomorrow night with a concert at 8 o'clock. The program is to be given in the school gymnasium and is open to the public.

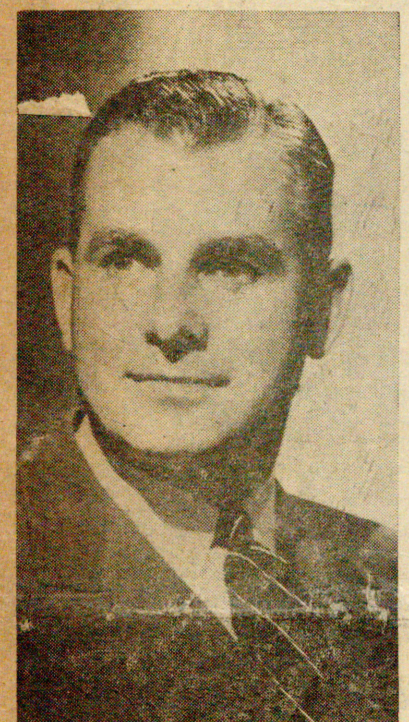

More than 400 young musicians are taking part in the festival.

There is a band made up of 125 students representing the seven schools and there are 300 in the massed chorus.

Besides Lincoln-Way the other schools represented are, Carl Sandburg, Bremen, Rich, Reavis, Oak Lawn and Evergreen Park.

The band and chorus will be presented in a joint concert tomorrow night, with the band under the direction of Paul Yoder, and the choral selections conducted by Thomas Williams.

Mr. Williams was soloist with the Oberlin Conservatory of Music glee club and a capella choir, while a student. He em-

Thomas Williams

barked on his teaching career at Dakota Wesleyan university while doing recital and oratorio work in South Dakota and neighboring states.

He received his master of music degree from the University of Michigan in 1938 and did further study in New York City where he was soloist in the famous St. Nicholas Collegiate church.

Mr. Williams is now head of the music department at Knox college and also serves as a member of the Association of Schools of Music's commission on curricula.

Mr. Yoder, who will lead the band, has been an arranger and composer for school bands for the past 25 years.

He is a graduate of the University of North Dakota and has

Paul Yoder

taught in the public schools of Aurora, Ill. and Evansville, Ind. He is a member of ASCAP and the American Bandmasters Association and has had some 600 compositions published.

This year he will conduct music festivals and summer camps in 16 states.

Among his best known compositions for bands are, "Rumbal-ta," "Skyways," "Hoosier Schoolmaster," "Auroa," "Mountain Majesty," and "Relax."

A holding company is one having controlling interest in several corporations.

Edward Teach was the real name of Blackbeard, the pirate.

Silver Cross To Ask Public Aid In Building Program

A campaign to raise half a million dollars to finance enlargement of Silver Cross hospital in Joliet and expand its facilities, is to be undertaken next fall.

The program is expected to cost approximately \$1,200,000. W. Frankling Barrett, president of the hospital board of trustees said that thru gifts the hospital now has a nest-egg of \$300,000 in its building fund. It must have \$800,000 to qualify for a loan sufficient to finance the program.

That difference between \$300,000 and \$800,000 is what will be raised next fall thru public subscription.

Plans call for adding three stories to the present two-story north wing which would provide room for 90 additional beds, it was stated. The hospital now has 235 beds.

The expansion program also calls for relocation and enlargement of the x-ray department and laboratories. Use of such facilities is increasing, it was pointed out.

Will County 4-H Clubs to Share Fun Tomorrow

4-H members of Will county are faced with a challenge of seeing which club and which individual members will have the best acts at the annual 4-H Share-the-Fun Festival to be held April 19 at 7:30 p.m. at Farragut school in Joliet.

The tentative program will include keen competition in four different categories, including master of ceremonies, musical numbers, dance numbers and dramatic or novelty stunt acts.

Last year there were 34 acts, and this year's entries are expected to exceed last year's total.

The purpose of the 4-H Share-the-Fun is as the name implies—to share the fun. It is not a contest of professionals, but an event to discover and further development of 4-H talent so as to raise the standards of the 4-H program in the county. It also will develop personal and community resources that make leisure time more enjoyable throughout life.

All 4-H members who have successfully completed at least one project are eligible to enter. First year members are eligible if they have not completed a project but are currently enrolled.

The Gutenberg Bible is also known as the Mazarin Bible.

Unpaid Personal Property Taxes Work Hardship on High School

Tax collections will begin soon in the area and members of the Lincoln-Way high school board are hopeful there will be fewer delinquents than last year.

These delinquents, according to the school superintendent, A. Hunter Chapman, have left the board, with a serious problem of how to meet the bond and interest account.

Interest on the \$1,200,000 bond issue which was voted to build the school, that is due on May 1 is \$14,565. The amount of money on hand in the bond and interest account to meet this payment is \$12,189. This means that the board will have to find \$2,376 from other sources that can be transferred to the bond and interest fund.

Last year, according to Mr. Chapman who has just finished conferring with County Treasurer Floyd Krapf and County Clerk Joseph Hartley on the subject, Lincoln-Way lost \$12,987.13 in personal taxes alone, and on top of that there were real estate owners who also failed to pay their taxes.

But the big offenders, it was pointed out, are the people who fail to pay their personal property taxes. There are several hundred of these, Mr. Chapman said, and some of them are persons who have children in the high school.

It was said that the names of these tax dodgers would be turned over to the State's attorney's office for action.

A break down of the money owed to Lincoln-Way school from personal taxes unpaid last year shows the residents of east offenders. They owe \$5,606.79

Honor Former Mokena Firemen

Certificates of appreciation for services they had given the community over the years, have been given out to 63 former members of the Fire Company, which predated the present Mokena Community Volunteer fire department.

The presentation was made by Mayor John Strath at a special meeting of the present department which was held on Wednesday night of last week at the VFW hall on Wolf rd. Refreshments were served.

Sixty-one names were carried in a previous issue of this paper as the known list of surviving members of the former fire company. At the meeting two more names were turned in on certificates awarded. The two latest additions to the list are Alfred Hatch and William Lowe.

Most of the evening was taken up with reminiscences but there was a brief business session by members of the present department. A nominating committee was chosen to select candidates for officers of the organization. The election will be conducted at the next regular meeting, May 9. Members of the nominating committee are Roy Newton, Andrew Zink, George Bennett and John Horras.

Present officers are: Harold Cooper, president; John Scarth, secretary; Peter Manke, treasurer, and the chief is Barney Hostert.

Besides the officers the committee will also nominate candidates for three places on the board of directors.

A committee comprised of Clarence Mast, Walter Yunker and Walter Muehler has also been named to arrange for the pinochle tournament to be held in conjunction with the annual firemen's dance which is to be held the night of May 12 in the VFW hall.

Band Boosters Will Sponsor Dance To Pay Uniforms Bill

Sometime ago the Lincoln-Way Band Boosters launched a campaign to provide members of the band with uniforms. This was successful.

But while the band members have their uniforms, they aren't all paid for. To meet this obligation the Band Boosters will sponsor a dance. It will be held Saturday, April 28 in the auditorium of the high school, from 9 to 12 p.m. Everyone is invited to attend and have a good time. Tickets may be purchased from band members in Mokena, Frankfort, New Lenox or at the door.

Benjamin Franklin established the first American newspaper printed in a foreign language.

SUDDENLY...

Suddenly It's Spring!

Long it's been, and dark, and cold,
And now come slush and mud
As old winter slacks its hold—
But look! A tree's in bud!
Comes a sudden bitter blast—
But still the sun is blue—
And you seem to sense at last
A softness in the air.

Carl Helm

Hold First Services in New Lutheran Church at Frankfort

Rev. A. E. Ullrich

The Rev. Adolph E. Ullrich, who has been pastor of the Immanuel Lutheran church on Sauk Trail, Matteson, since 1952, was installed as pastor of the church at Frankfort. He will serve as pastor of both churches.

The Rev. Adolph E. Ullrich, who has been pastor of the Immanuel Lutheran church on Sauk Trail, Matteson, since 1952, was installed as pastor of the church at Frankfort. He will serve as pastor of both churches.

At the ceremonies Sunday afternoon the Rev. Henry Meyer, of Beecher, was the preacher and the Rev. Herman P. Meyer, of the Zion Lutheran church, Matteson, conducted the rite of installation.

Darrell H. Naber, of Beecher, was the organist and the choir from Zion Lutheran church, Beecher, sang "The Twenty-third Psalm," and "Open the Gates of the Temple."

Assisting ministers were, the Rev. A. W. Gode, Mokena; the Rev. Carl Hoeh, Tinley Park; the Rev. Adolph Lach, Orland Park; the Rev. Leonard Reinke, New Lenox; the Rev. Alfred T. Krelzmann, of Crete and the Rev. Arthur A. Brauer, Chicago Heights.

The Rev. Mr. Ullrich was born

Harold Cooper Named to County Zoning Board

Harold Cooper, Mokena automobile dealer, has been named to the Will county zoning board of appeals, succeeding his father, Elmer L. Cooper, who died in February. Appointment was made by the board of supervisors.

Elmer Cooper was chairman of the zoning board, a post now to be filled by Walter Schoep of Wheatland township.

Harold Cooper also is to be named Republican precinct committeeman for Frankfort 2 (Mokena) when the Will county G.O.P. central committee organ-

izes Monday night, April 23. The meeting will be called to order at 7:30 o'clock. The principal business will be the election of a chairman and it is expected that C. H. Peterson, of Joliet, who now serves as such, will be reelected.

Mr. Cooper will be named as committeeman in place of his father. Elmer Cooper had filed as a candidate for precinct committeeman and when his death occurred it was found that it was too late to remove his name from the ballot. In the primary April 10, the voters of Mokena voted for Elmer Cooper as precinct committeeman, with the knowledge that his son Harold was to be named to the post when the central committee met.

Mokena Voters Give Green Light to Plan For Grade School

Implement Firm Starts Store

Ground was broken last Thursday afternoon for the Heatherwick Implement company's new building at the junction of U. S. Route 45 and the Manhattan-Monee rd., south of Frankfort.

The company will handle the Allis-Chalmers line of farm equipment for the surrounding territory. It is now operating in temporary quarters at Smith and Elwood streets in Frankfort.

Everett W. Heatherwick, of Lockport, head of the firm, said the new building will be of concrete block construction with a complete parts and service department and showroom. Clyde Reils will be in charge of the service department and Ed Henke is parts manager.

The new building is to be ready for occupancy by July 1, according to Mr. Heatherwick. Mr. Heatherwick signed a contract with Allis-Chalmers last Dec. 1 to sell and service its complete line in this area.

Prior to this he had been farming near Orland Park. Before he began farming Mr. Heatherwick worked for the Buda Co., at Harvey, which is division of Allis-Chalmers. His experience there, he said, enables him to give complete service on all makes of Diesel engines.

Mr. Heatherwick has been active in community affairs as a leader of the 4-H Homer Husky Hustlers, and as a member of the Will county farm bureau board and the Goodings Grove school board. He has a wife, Hazel, and three sons, Alan, Lane and Kent.

At the groundbreaking ceremonies last week were, Al Hochberger, of the Frankfort State bank; R. P. Miller, branch manager for Allis-Chalmers at Frankfort; and G. W. Meredith, also of the Allis-Chalmers company, and Mr. Heatherwick.

John L. Groth, 80, Former Mokena Resident Dies

Word was received in Mokena this week of the death of John L. Groth, 80, who died April 8 in a hospital in Orange Park, Fla. Funeral services were held in that city April 12.

Born in New Lenox township he owned and operated a tavern in Mokena where the Dunham hardware store is now located, for 14 years. After selling the business he and his family moved to Joliet where he was employed by the American Steel and Wire company. After a few years, Mr. and Mrs. Groth moved to Kenosha, Wis., and upon returning entered the Moose home in Orange Park, where they lived for the past 14 years. He was a member of the Joliet Eagles and the Moose lodges. His wife, Elizabeth died three months ago.

Surviving are three daughters, Mrs. Louise Spiess and Mrs. Eva Dalmaris both of Joliet and Mrs. Birdella Woerner, Milwaukee, Wis.; two sons, Arnold, Kenosha and Clarence, Joliet, also four grandchildren.

Will Demonstrate Ford Tractors At 'Power Pow Wow'

A "power pow wow" to demonstrate the uses and capabilities of Ford tractors and farm implements, including balers, combines, mowers, loaders, plows and discs, is to be conducted Friday night, April 27 at the William Weber farm on the east side of Mokena, near the village limits of Mokena. The demonstration is sponsored by Cooper and Hostert, which operates the Ford agency at Mokena.

The show is to begin at 6 o'clock and floodlights have been installed so it may continue after dark.

Farmers who attend will have an opportunity to operate the tractors and machinery themselves. Ford also has a Diesel tractor as well as one powered by gasoline. Power steering is now standard on Ford tractors, it was stated.

Music and movies will be provided for entertainment of the women and children who attend the demonstration and there will be prizes and refreshments.

CORRECTION

Butter price in original copy of National Food Store ad reads 59 cents a pound; should read 61 cents per pound.

Johanna Heyer Succumbs After Long Illness

Johanna Heyer, 88, died Saturday in the farm home of her son Alfred, south of Frankfort. She had been confined to a wheel chair for five years and to her bed for the past six weeks.

Born in Pomerania, Germany she came to the United States alone at the age of 20, and settled in Chicago. She was united in marriage with Edward Heyer in Chicago on May 4, 1902 and moved with her husband to Mokena in 1940 where the Alfred Heyer family then lived before purchasing the Frankfort farm.

Beside her son Alfred, she is survived by another son, Paul, of Chicago and one grandchild.

Funeral services were held on Tuesday afternoon in the Immanuel Lutheran church in Mokena with the pastor, the Rev. A. W. Gode officiating. Burial was made in the Archer Woods Memorial Park cemetery, Chicago.

L-W Faculty Earns Praise Of Education

Lincoln-Way high school was recently complimented by the state department of education as one of the schools having an outstanding program of in-service training for its staff members in guidance. Last Friday's workshop was another of the series of in-service training meetings.

The theme of Friday's workshop was "Group Guidance in Relation to the Total School Program." The first objective of the meeting was to outline the group guidance program for the remainder of the school year and to prepare a list of additional materials needed to carry out these plans. The second objective was to prepare an inventory of what has been done in group guidance thus far this year. The third objective was to make suggestions for the improvement of the curriculum for the various grade levels.

At Lincoln-Way High School each student is assigned to a group guidance section. These groups meet once a week to work on personal and school problems of concern to the staff and students.

A. Hunter Chapman, Lincoln-Way principal, is also in receipt of a request from the U.S. Office of Education in Washington, for a description of the guidance program. The national organization explained that the Lincoln-Way program had been highly recommended by the Illinois state board for vocational education for significant improvement in the segments of In-Service Training.

The U. S. educational office wants details of the plan.

Mr. Chapman said he felt this request was a very high compliment to the school and that the entire faculty and student body who have worked together to develop an outstanding guidance program.

Portuguese is spoken in Brazil by four times as many people as in Portugal.

Citizens of Mokena have given the green light to the grade school board to proceed with plans for a new school to relieve the congestion in the system caused by steadily increasing enrollments.

At the regular school election held last Saturday the voters approved the site for the new school and a \$110,000 bond issue to build the school.

The price of the site, \$12,000, including construction of an extension of Second st., to connect it with Wolf rd., 500 feet to the east, is included in the bond issue.

Approval of the bond issue was overwhelming. The vote was 400 to 70 in favor of the program, a margin of almost six to one.

With the site and the bond issue approved the Mokena school board has instructed its architects, Kruegel, Wilkins, Healy and Moore, to proceed with the working drawings as speedily as possible so that bids may be taken and contracts let this spring.

The additional classrooms are needed now, for that matter as rented quarters are necessary to accommodate all the classes.

The plans call for the completion of four class rooms in the new school. There will also be another large room that can serve for assemblies and community gatherings but can be converted quickly and inexpensively into two additional class rooms by the installation of a partition.

Members of the board expressed their gratification at the vote of confidence given them, thru approval of the bond issue.

The voters also approved the sale of the old school site, long abandoned, which is located on Front st. and School House rd., 429 to 32.

This site will be sold thru bids, in conformance with school law.

Voters also elected three members to the Mokena grade school board at the election Saturday. Hans Mueller and Edwin Yunker, incumbents, were re-elected for three-year terms. James W. Stewart was elected to fill the unexpired term of Thomas Powers who resigned because of his removal from the district.

Muehler received 428 votes, Yunker 228 and Stewart 381.

At the regular meeting of the board Tuesday night the vote was officially canvassed, the old board completed its business and then the new one was organized. Robert Geuther was re-elected president and Lyman Teague secretary. There are seven members of the board, five of them have been mentioned. The other two are Walter Shewski and Gordon Bruce.

Postoffice To Keep New Hours Beginning May 5

Beginning May 5 the Mokena postoffice will be closed Saturday afternoons instead of Thursday, it has been announced by Postmaster Margaret O'Brien.

The hours, as authorized by the postoffice department will be from 7 a.m. to 5:30 p.m. each week, Monday thru Friday, and from 7 a.m. to 12 noon on Saturdays.

For the remainder of this month, however, the postoffice will be closed on Thursday afternoons.

The Continental Divide is formed by the Rocky Mountains.

Breaks Ground for Business Building

Ground breaking ceremonies were conducted last week by Everett W. Heatherwick who is building an implement store on Route 45 north of the junction with the Manhattan-Monee rd. In the picture, left to right, are Al Hochberger, a banker, of Frankfort; R. P. Miller, L. P. Walsh, Mr. Heatherwick and G. W. Meredith. Miller, Walsh and Meredith are connected with the Allis-Chalmers Co.

Coming Events

Thurs. April 19—Eddie Doucette and his TV cooking school, 7:30 pm. St. George hall, Tinley Park.

"JOHN DEERE Power Steering put me back in harness again"

Even though retired, Mr. T. C. Butler likes to take his turn at driving the family-owned John Deere Power Steering Tractor. Says Mr. Butler, "I couldn't handle an ordinary tractor in our rough soil. John Deere Power Steering makes handling the tractor so much easier."

Mr. Butler's experience is typical of thousands of farm men and women—young and old alike—who drive John Deere Power Steering Tractors. They have found an entirely new freedom from steering effort and driver fatigue. For them, tractor farming is more relaxing, more enjoyable every minute they're at the wheel.

Plantings Can Serve House as "Picture Frame"

Use foundation plantings to tie your house in with its surroundings and make a picture that you'd like to frame.

H. R. Kemmerer, extension landscape specialist at the University of Illinois College of Agriculture, suggests some key ideas to help you get the best results from your foundation plantings.

Select plants that will make your home more attractive rather than just a background for some odd pieces that you buy, Kemmerer says. You can use plantings to hide bad architectural features if you have such a problem.

Plantings look best if you select them to repeat the balance in your house. For example, use low, rambling plants for a low, rambling house, taller plants for a two-story house.

If the foundation is attractive, you can let the lawn grass grow up to the front of the house in spots. Tie the foundation plants in with other plantings in the rest of your lawn.

It isn't a good idea to indulge in a great variety of shapes, colors and textures, Kemmerer points out. Too wide a variety will detract from the beauty of the house. Don't conceal attractive brick or stone houses with too many plants.

Since windows are for light and ventilation, you should not put tall plantings in front of them, the specialist says. And put some of the plantings a distance from the foundation to give a more pleasing effect to the whole design.

Child's Books Should Keep Up With His Growth

Your child's books should grow up with him.

Mrs. Millicent Martin, University of Illinois child development instructor, says pictures mounted on heavy cardboard are the first type of book to give your child.

After he learns to handle the pictures, you can mount them on thinner cardboard, such as card-board from shirts as they come from a commercial laundry. But keep the pages separated so that he can turn them easily.

In a few months, he'll be ready for scrapbooks. These are similar to his first "books" except that they are fastened together. Curtain shades furnish good material for this type of book. You can also paste pictures on medium-weight card-board so that the pages won't tear if he bends them. You can fasten them with colored or plaid shoe strings or yarn.

Include your child in the project as much as possible. You might let him decide what color of string to use in the scrap-book.

He will enjoy the book more if it covers only one subject and if it is only four to six pages long. It's usually best to have one picture on a page.

When he learns to handle scrapbooks carefully, he is ready for commercial picture books. If you don't always have time to read the story about the picture to him, he will probably make up his own story.

From picture books, your child is ready for conventional story books.

The teddy bear was named for President Theodore Roosevelt.

"God made the sea, we made the shore," is a Dutch proverb.

Veterans' Program Of Orland Auxiliary Earns State Honors

The American Legion Auxiliary 524 of Orland Park met Friday evening, April 13 in the home of Martha Rauch. The officers and chairmen are urged to send in their annual reports to the district chairmen before May 15.

The unit is in receipt of a certificate of honor from the department of Illinois, in appreciation for outstanding cooperation in serving disabled veterans of World Wars I and II and the Korean conflict, thru contributions to the "Nine Point Rehabilitation" program by Feb. 1, 1956.

The sum of \$18 was in the container of the "gypsy" basket which has made the rounds of the membership. There are still rubber scrubbers available by contacting Mrs. Lillian Knox.

The Past President's Parley dinner will be held at Cavalini's in Midlothian, Monday, April 30. Several past presidents of the unit plan to attend. After adjournment, refreshments were served by hostesses Martha Rauch, Bernice Reish and Florence Sayers.

Tinley Woman's Club Will Elect Officers Apr. 25

Election of officers and installation will be on the agenda at the April 25 meeting of the Tinley Park Woman's club in the Tinley Park school at 1:30 p. m. Annual reports also will be given.

In keeping with Mental Health week as proclaimed by Governor Stratton-April 29 thru May 5—Mrs. Ida M. Grossfeld will discuss mental health problems and volunteer service. Also on the program, Miss Margaret Stewart, superintendent of volunteer services at Mankato state hospital, will show slides of the various activities at the hospital in some of which Tinley Park club members have participated.

Mrs. George Keuch will be the chairman of hostesses for the afternoon.

Methodist Women Form New Circle

Members of the Dorcas circle WSCS of the Methodist church voted at their meeting of last Wednesday to divide into two circles, which will be called Dorcas and Faith circles.

The names of members were drawn from a basket by little Jimmy Schmidt as his mother, Mrs. Harry Schmidt, president-elect, organized the new set up.

Mrs. Isobel Schullen is temporary chairman of the Dorcas group with Mrs. Blanche Yepsen in like capacity for the Faith circle.

Dorcas members were invited to meet for desert luncheon in the home of Mrs. Beatrice Brandau May 9 with Mrs. Claire McLaine entertaining the Faith group on the same date.

The program for the afternoon was presented by Mrs. Blanche Yepsen who showed slides of the Rose Bowl parade and Disneyland.

The slides were sent to her by Mrs. Mary Morton of Glendora, Calif., a former member of the group and Tinley Park resident.

April 21 from 10 a. m. to 3 p. m. Mrs. Evelyn Bettenhausen and Mrs. Alma Lauffer are co-chairmen of the committee on arrangements.

The Wayfarers and Auxiliary held their social meeting last Saturday evening in the social rooms of the Methodist church. After the business meeting cards and buncos were played. Prizes were awarded to Harold Spiess, Julian Osberg, Mrs. Walter Schoenack and Mrs. Robert Boyer. Refreshments were served by Mesdames Clarence Gerrie, Henry Clark and Gordon Bruce. The next meeting will be May 12 at 6:30 p. m. at which time a dinner will be served by the men.

The monthly meeting of the Sacred Heart league of St. Mary's church was held last Thursday evening in the school hall. Plans were completed to hold a Communion breakfast at Valley View farm after the 8 a. m. mass May 20. Reservations for same can be made by calling Mrs. Frank Gottlieb, Mokena 3772 before Sunday, May 13. The group plans to make a trip to the Croydon's China shop in the near future. Mrs. James Suravick has accepted the chairmanship of the fall fashion show. Report was made of the successful bake sale held last Sunday at the close of the masses. Because of its success another such sale will be held next month at the same place and time. At the close of the meeting a hat contest was enjoyed, when a variety of artistic and funny hats were presented for judging. Because most of the contestants had entered original and imaginative hats, the judges had a difficult time to select winners. Finally the suspense ended with Mrs. Warren Manker winning first prize; Mrs. Richard Martin, second and Mrs. John Owens, third. Mrs. Clida Deadmore, her sister, Mrs. Margaret M. Semmler and their brother Theodore Oestreich of Joliet, motored to Downers Grove and Naperville, last Sunday afternoon to visit relatives.

Mr. and Mrs. Robert Fortman of Woodland circle, have returned from Detroit, Mich., where they were called by the death of her grandmother, Mrs. Helen Rupnow, age 80.

Mrs. Rose Knudson, former Mokena resident, has been staying for a few months with her sister, Mrs. Lisette Stellwagen, 1011 Oneida street, Joliet, who is ill.

Mrs. Clarence Lauffer and Mrs. William Riemann attended the biennial meeting at Palatine last Tuesday and Wednesday of the Woman's Guild of the North Illinois synod of the Evangelical and Reformed church as official delegates. Other Mokena members attended last Wednesday as visitors.

St. John's church will be host to the churchmen of the Monee region in a Brotherhood rally next Wednesday at 8 o'clock. Albert Lorence will conduct the devotions and Clarence Lauffer is chairman of the entertainment committee.

The Rev. and Mrs. E. Dale Kleinschmidt were dinner guests last Sunday of Mr. and Mrs. Marvin Smith. Dr. and Mrs. Robert W. Riemann entertained his parents, the Rev. and Mrs. William Riemann at dinner last Sunday at the Ottawa Yacht club in Ottawa to honor the birthday of his mother.

Mrs. Rose Bechstein had a little fall in her home recently which caused her to be a little lame for a few days. The Women's Guild of St. John's church will hold a rummage and bake sale in the Cooper and Hostert garage Saturday,

Congress-Christian churches will meet at Yorkville Sunday, April 22 at 2:30 for the regular spring meeting. Jerome Paddock and Robert Burch have been appointed to represent Homer church. All may go who wish. Reservations for the evening meal should be given to one of these persons by Friday. There will be a short session of the Woman's Fellowship at 4 o'clock.

HOMER CHURCH

MARLEY

Mrs. Virginia Sass
New Lenox 3133

Local rural school elections were held in the school Saturday, April 14. Bruce Anderson was elected to the board of directors at the Hadley school; John Handorf, Jr. was elected to the Marley school board and Harlow Jensen was elected to

the board of the Francis school. Mrs. Fletcher Binion, Jr., opened her home to the regular monthly meeting of the Marley woman's club Thursday afternoon. Mrs. Otto Moravec was co-hostess. The meeting was called to order by the vice president, Mrs. Charles Sievert who presided in the absence of the president, Mrs. John Hasibar. A nominating committee of Mrs. Adella Sproat, Mrs. Moravec, and Mrs. William Dudlick, was appointed to choose officers for the election to be held in May. Mrs. John Hubler reported on timely garden tips. Mrs. Dudlick and Mrs. Ann Pecinak were in charge of the games, with prizes going to the following winners: Mrs. Clarence Troutman, Mrs. Victor Zaloudek, Mrs. Harold Mohny and Mrs. John Riley. Guests were Mrs. Doris McCarthy and Mrs. Troutman. Refreshments were served at long tables decorated in spring motifs.

Charles Ingram celebrated his tenth birthday at a double celebration with his cousin, Susan Mullauer in her home at Menahga, Minn. Tuesday morning after spending the winter with relatives and friends here. Guests Sunday in the home of

was fete at a family gathering at the home of his parents, Mr. and Mrs. Charles Ingram. Guests were Mr. and Mrs. Charles Elliott, Jr., of New Lenox and Mr. and Mrs. Charles Elliott, Sr.

Mrs. Adella Sproat and Mrs. Robert Sproat and children were guests Friday evening in the William Morrison home near Frankfort.

Mr. and Mrs. Harwood Stellwagen and family of Tinley Park were guests Friday night in the Russell Lauffer home.

Mrs. Clarence Berg spent a few days this week in Ohio, where she was called by the death of a relative.

Mr. and Mrs. C. H. James and daughters of Oak Lawn were Sunday guests of Mr. and Mrs. Clayton Cleveland.

Fred Brown returned home Friday from Silver Cross hospital where he was a patient for several weeks. He is still confined to bed with a nurse helping to care for him. Visitors are not allowed for a few days.

Mr. and Mrs. W. J. Cleveland left for their home at Menahga, Minn. Tuesday morning after spending the winter with relatives and friends here.

Guests Sunday in the home of

Mr. and Mrs. Charles Elliott were Mr. and Mrs. A. Holmes of Chicago.

Mrs. Francis Nelson returned Sunday evening after spending the past two weeks with her brother and family, the Homer Sabins at West Collingswood, New Jersey.

CARD OF THANKS

Thanks to my relatives, friends and neighbors for their cards, gifts and assistance given me during my stay in the hospital and convalescence at home.
RONALD KOLLMAN

CARD OF THANKS

I wish to express my gratitude to the many friends who remembered me during my stay in the hospital.
TRUDY SWISHER

CARD OF THANKS

I wish to thank the Rev. Glen Ames, and our many friends for the gifts, beautiful flowers and many prayers said for me during my recent illness.
MRS. EJNAR MONSON and FAMILY

Greta of Robingale, a 10 month old Norwegian Elkhound belonging to Paul Buck of Tinley Park, won second place in the open puppy group at the International Dog show recently held in Chicago.

The puppy was presented to Paul last September as a gift by John Currie of Tinley. Greta will be entered in the Lake Shore Kennel club show to be held April 22 at Crown Point, Ind.

Corwin Andersen of 7156 W. 173rd pl. and Charles Gersse of 17315 71st ct. had their tonsils removed in Hazelcrest hospital last Tuesday.

Mr. and Mrs. F. H. Perrin in Greensboro, N. C.

Zion Ladies Aid

Eleven members of the Zion Ladies Aid, Sew and Cook, met at the home of Mrs. Mame Rick, April 11. These ladies are busy embroidering and stitching on many lovely articles which will make up their annual fall bazaar. Refreshments were served by the hostess. The May 9 meeting will be at the home of Mrs. Alice Propp.

The Rag Rug circle of the Aid met with Mrs. William Marquardt April 6 with eight members present. They too are busy engaged making colorful rag rugs which homemakers find useful. Their next meeting date is May 4.

The next general meeting of the WSCS will be held Tuesday May 1 at 8 p.m. in the Tinley Park Methodist church. Business of the meeting includes installation of officers. Plans for the mother and daughter banquet to be held May 10 will be discussed. Mrs. Harry Schmidt is chairman.

The Rev. and Mrs. Glen Siler are the happy parents of a daughter Theresa Joyce, who was born April 5 in Ingalls Memorial hospital. She weighed 9 lbs. 4 oz. Her sister and two brothers anxiously awaited her homecoming.

Mrs. Trudy Swisher is now convalescing at home after being hospitalized for several weeks. Her many friends in Tinley wish her a speedy recovery.

Mr. and Mrs. Richard Freund and his parents, Mr. and Mrs. Albert Freund spent the weekend in Detroit with the Louis Mukri family. The occasion was a joint celebration of the birthdays of Mrs. Mukri and Richard Freund.

Mr. and Mrs. Lee Douglas of Walnut Ridge, Ark. are guests of the John Mannings.

John Wojciechowski attended the final session of a three day reunion of the 310th regiment, 78th Infantry Division, Saturday evening, April 14 at the Sheridan hotel in Chicago. He had the pleasure of meeting some of his buddies whom he had not seen since December 14, 1944 when he was wounded in action in Germany. The next reunion is scheduled to be held in St. Louis, Mo. in two years.

The bunco party held at the Coopers Grove school April 12 was quite successful. Entertainment and refreshments were enjoyed by all. The prize of a deep fryer was awarded to Mrs. Elizabeth Dunn of Chicago.

Marlene Kay Holup, daughter of Mr. and Mrs. Bert Holup of 66th Ct., was baptized Sunday, April 15 in St. George Catholic church, by the Rev. Fr. McKeown. Godparents were Mr. and Mrs. Lowell Holup of Antigo, Wis. She was born April 5

in Hazelcrest hospital, and has two brothers, Roland and Craig. Denise Rene Jenkins, daughter of Mr. and Mrs. Gene Jenkins who was born April 8 in Hazel Crest hospital, weighed eight pounds and three ounces. She has two little sisters. Her grand mother, Mrs. Samuel Regep of Summit has been spending several days in her home helping to care for her and her mother.

The eighth grade intermediate Girl Scout troop 225 is conducting a uniform exchange. If any Brownie or Girl Scout would like to either sell or purchase a uniform, she may call Jeanette Rizzuti at KE 2-4350 any time after 4 p.m. on weekdays, advise size of uniform, name and telephone number.

Mr. and Mrs. Richard Laccabue of 6648 Hubbard Lane announce the birth of Lori Ann born April 6 in Hazelcrest hospital.

Mr. and Mrs. Richard Schwartz of 170th street have moved to Northern Wisconsin. The new occupants of their home are Mr. and Mrs. Wayne Atkinson and daughter Janet, age 5 from Roseland.

Several couples called at the Charles Carpenter home for a birthday surprise party last Saturday evening. During the evening they placed a long distance telephone call to the Jack Birmingham residence at Phoenix, Ariz. The Birminghams are former residents of Tinley Park. They are well and plan a vacation trip to Tinley this summer.

Lee Schmudde entertained eight friends at a Cowboy birthday party last Saturday. All the happy fun and frolic were enjoyed. Lee is the son of Mr. and Mrs. Ken Schmudde.

The April 9 meeting of Tinley Hustlers 4H group met at the home of Barbara Manzke, Camp Shawanawsee information on reservations was discussed. Announcement of the April 23 meeting with a speaker from Public Service company was made.

Poultry and livestock talks were given. Following the formal closing with the 4H pledge, refreshments were served by the hostess Barbara and her mother.

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fldbrook 9-0211

CARD OF THANKS
My deepest thanks to all my friends and relatives who were so thoughtful of me during my illness at home and in the hospital. Surely your kindness has been helpful and appreciated.
JESSIE CREER

CARD OF THANKS
We wish to thank our friends and relatives for their expressions of sympathy during our recent bereavement.
MRS. EMMA BURKHARDT and FAMILY

The Laurel Camp 1796 RNA will meet Thursday April 26 at 8 p.m. in the home of Marion Lang on 175th and Keane av.
The Orland Cloverettes met recently in the home of Claudette Bettenhausen. Demonstrations were given by Barbara Schmadtke, Jean and Nancy Bendix. A pressing party was planned for the 30th. The next meeting will be held at the L. O. Meredith home.

Mr. and Mrs. Ellsworth Uthe are the happy parents of a son born Wednesday, April 11 in St. Francis hospital, Blue Island. He weighed 6 lbs. 6 oz. and has been named Ronald Wayne. Mother and son are doing fine.

On Saturday night, April 14 a baby boy was born in St. Francis hospital, Blue Island, weighing 7 lbs. 7 oz. and named Peter Ferdinand. The parents—Mr. and Mrs. Ferdinand Schrank are elated as this is the first boy in their family. They have four daughters.

Mr. and Mrs. Wm. Murphy and Mr. and Mrs. Ben Yunker are guests of Mr. and Mrs. Harry Hallinan in Wheaton last Wednesday evening. Mrs. Yunker is laid up with her foot in a cast, having had a fall that evening, skinning her knee and breaking a toe.

Mrs. James Creer is home from the hospital and feeling some better.
Mrs. Herman Uthe is also home from the hospital, and feeling much better.

Mrs. Harry Anderson is a patient at St. Francis hospital, Blue Island, either for treatment or surgery.
The Trail Blazers, Young Adult group, held a skating party Sunday night which was well attended and enjoyed, even though there were a few bruised places and sore muscles. A joint meeting with the Lamplighters Adult group from Beverly is planned for April 22. A hayride is in the offing, when the weather becomes more favorable.

Membership in the organization has grown steadily since it was formed early this year. The group makes the Palos Park Presbyterian church its general headquarters, but membership is open to any single young adult over eighteen, of any faith.

We are interested in you, why not become interested in us. For more information call Miss Phyllis Cavanaugh at GIBSON 5-5567.
The regular meeting of the WSCS of the Methodist church will be held Thursday, April 26 in the church, starting at 1 p.m. sharp. A dessert luncheon will be served prior to the business session and devotions. Visitors are most welcome.

The Orland Park Volunteer Fire Dept. have been busy again fighting grass fires. Saturday, they were called to Albine where the fire was spreading close to a pig sty. Sunday they were called to 151st st. and Rt. 45.

Lane, 9 year old son of Mr. and Mrs. Everett Heatherwick of Will-Cook rd. had the misfortune of falling from the hay mow when the string broke around the bale of hay he had pulled from the mow. He fell about 15 or 20 feet to the cement floor, landing on his head and right side. He suffered shock and is in great pain. He was rushed to St. Francis hospital for treatment. X rays show no broken bones.

Sandburg High School Notes

Office Reports

The two main attractions going on in the main office right now are the checking of report cards and establishing the honor roll students. Another problem the secretaries have is compiling the eligibility lists for the baseball and track teams.

The office staff is also very busy re-doing all the files for the coming year. The financial statements for the school and bookstores are also being made out. Along with the financial statements, the teachers requisitions and purchases must be checked.

Real Battler

Audie Murphy is a youth from the slums who becomes a world's champion and marries a heiress in "World in My Corner", hard-hitting boxing drama in which Audie's co-stars are Barbara Rush, Jeff Morrow and John McIntire.

"Marty" is co-billed with this film, playing Sunday and Monday at the Hilltop Drive-In Theatre.

The final item of importance for next year. About the only other jobs that are being done are the announcements and teachers bulletins, but these are of little interest due to the fact that they are being done day in and day out.

Switching over to the deans office we find that the attendance in school has taken a jump for the better. It seems the students are realizing that the critical period is ahead and they must plan for it. It is discouraging to think of the effect of a large absence list.

The Junior-Senior prom this year will be May 25 and will be held at the Southmoor Country Club. For further information contact Miss Pappas.

ATHLETES HONORED

On Friday, April 6, the Pep Club of Sandburg High gave its annual Athletics Party. Members of the Pep Club, Athletic teams and G. A. A. were invited.

The main activities of the night took place in the gym. The games enjoyed by both the fellows and girls were basketball, volleyball, table tennis, and shuffle board.

After refreshments of cokes and cookies were served in the cafeteria, dancing began in the gym. The party ended at 10:30.

Chaperones for the night were Mr. and Mrs. Hopkins, Mr. and Mrs. Jorsted, Mr. and Mrs. Conpton and Miss Rohde.

G. A. A.

Last year was the first time Carl Sandburg G. A. A. was represented at GAA camp. We were very well represented by Betty Nagle and Wendie Johnstone. They enjoyed themselves very much, and only wish they could go again. We want some representatives, that will be back for the following year of school. We want them to teach our GAA what they learned in camp.

This year we have six girls running for leadership to be elected to go to GAA camp. Let's hope we get true representatives to go as last years were. Two out of the six will be sent this year to represent us. The GAA treasury will pay the complete fee. The representative will just have to supply transportation there and back. There will be more schools represented this year than last, and it should be more fun. They should come back with a lot of good information for the GAA members.

Projection Club

The Projection Club consists of from 14 to 19 members, varying from semester to semester. The majority of the boys are used only when they have a study hall. The exception is when a film is to be shown in a class at which they attend.

The equipment consists of two movie projectors, two screens, one opagus projector, one film strip, one tape recorder, one phonograph, two microphones, and an additional phonograph on the stage which is permanent.

On the third of May the boys are scheduled to see Cinerama.

Science Fair

Under the direction of Mr. Hopkins, the science fair will be held at Carl Sandburg high school next Monday, April 23rd. Both physics and biology classes will participate in this event. There will be judges from Lincoln-Way and Argonne Laboratories. The project will range from atomic reactors to army ordinance equipment.

Mr. Brown is supervisor of the biology students entries. Awards will be given for quality. There will be a first place award and honorable mentions.

Agriculture Department

Under the guidance of Mr. Moore the agriculture department of Carl Sandburg has been a great success. Agriculture is not a required subject but many students take it. The Agriculture club meets once a month in room 108.

The various phases of agriculture, including the F. F. A. (Future Farmers of America) and many other topics dealing with agriculture, are discussed.

The class has planned a field trip, arrangements have been made through the Yunker Tractor and Implement Co. to visit the Allis Chalmers plant in West Allis, Wis., April 29. They plan to leave at 7:30 in the morning and return around 5 at night. The plant furnishes free meals at lunch time. It was estimated that three cars would be sufficient transportation. The trip will be made by automobile.

Since the trip is to be made on a Saturday it was said that many students will not go.

Recently the agriculture class has been studying the various aspects of rock and soil, and the processes they undergo.

Also they are studying the raising and marketing of livestock, with the emphasis now on hogs.

The agriculture department at Carl Sandburg is growing. There were 16 students the first year. However, in the second year there were 50 students. This shows that there are many people who are becoming interested in agriculture thru the fine guidance of Mr. Moore.

Mr. Moore appears to be very proud to be a member of the agriculture department at Carl Sandburg and in the future plans to have an enlarged class with shop facilities, laboratories, livestock raising pens and also washrooms where the boys can clean up after working with live stock. This all adds up to a fine future in the agriculture department. And Carl Sandburg is also glad to have Mr. Moore on the faculty because of his fine work.

The U. S. Treasurer's is bonded in the amount of \$150,000.

Young Athletes to Receive Awards at Mokena PTA Dinner

The annual pot luck supper of the Mokena PTA is to be held next Tuesday night at 7 o'clock in the school gymnasium. Paul LaVinn, athletic director at Lincoln-Way high school, is to be the speaker.

This will be the night when the youthful athletes of the school receive awards for their efforts. Twenty will receive basketball awards; 12 awards will be made to volleyball players and six cheer leaders are to be honored, according to Herbert J. Wrath, who is in charge of the physical education program at the school.

The program is to begin at 8 o'clock.

Park Board Studies Plans for Summer; More Picnic Areas

The Mokena park board is busy now with plans for the summer season. Work has been started on clearing land for more picnic areas under the direction of Wesley Capple, and will continue. The work is being done by the men on the board.

More picnic areas will mean more tables and benches and fireplaces, it was pointed out. Last year the community park was a popular spot. It was used as a playground by the youngsters, and families and various organizations made use of the picnic facilities.

Incidentally it was announced that the Girl Scouts would hold their day camp exercises at the park June 25 and 29 and the Methodist church Sunday school picnic is to be held there June 30. St. John's Evangelical and Reformed church is to hold its picnic there in July.

Charles Swanberg, head of the park board, reiterated the rules and asked the public to cooperate by following them:

1. Park only in designated areas.
2. Keep park clean; deposit rubbish in the refuse cans.
3. Preserve your park; do not damage or deface trees, shrubbery, flowers or equipment.
4. Build fires only in fire-places.
5. Observe all rules for fire prevention; be sure fires, cigarettes, cigars, matches and pipe dottle are not burning when you leave.

Present at the meeting this week were Mr. Swanberg, Mrs. Hugo Niethammer, Mrs. George Bills, George Carlisle, Harry Fee, Mr. Capple, Warren Mankern, Clarence Lauffer, Charles Burkhardt, board members, and Herbert J. Wrath, who is in charge of athletics at the Mokena grade school who was called in as a consultant on recreational plans. The next meeting will be May 3, at the village hall.

L-W Freshmen Girls to Hold Bakery Sales

The freshman class of girls of Lincoln-Way high school will sponsor a bakery sale Saturday, April 21 in the library in New Lenox, starting at 10 am. Members of the class from Manhattan will combine in holding their sale here with the New Lenox girls, being there are so few freshmen girls in Manhattan. The freshmen girls of Mokena will hold their sale at 10 o'clock in the Dunham hardware store in Mokena and the Frankfort girls will hold their sale at 2 pm in the Chevrolet garage at Frankfort. All home baked goods will be sold.

Has Enough Mail In Room to Set Up Own Postoffice

(Community News Service)

Federal agents have arrested a Joliet mailman who took three thousand parcel post packages, five hundred letters and one hundred newspapers and magazines to his hotel room.

Thirty-three year old Alvin Timm told postal inspectors he took the mail home because he was too tired to deliver it. He made six trips with his mail truck to get it all to his room at the Manor hotel, Rural Route three, Joliet.

Timm had just moved to the room April first after his previous landlord—at 215 Herkimer in Joliet—had complained about his poor housekeeping.

His new landlord did also—and not to Timm but to postal inspectors—who found the mail in 11 sacks, two suitcases and two cardboard boxes in Timm's room.

Timm explained that he intended to deliver it all as soon as he found time. In the meantime, he admits opening some of the letters, explains he wanted to forward anything of value.

Some of the letters he opened, Timm says, contained small charity donations. Being short of cash as well as time, the mailman says he spent the money—but being an honorable man, he says he noted down the intended recipients and sent them equivalent amounts later.

Judge Joseph Sam Perry set bond for Timm at one thousand dollars—reducing it from three thousand dollars after he learned of Timm's excellent war record.

A barkentine was a three-masted vessel.

The diamond is the birthstone for the month of April.

Has Enough Mail In Room to Set Up Own Postoffice

(Community News Service)

Federal agents have arrested a Joliet mailman who took three thousand parcel post packages, five hundred letters and one hundred newspapers and magazines to his hotel room.

Thirty-three year old Alvin Timm told postal inspectors he took the mail home because he was too tired to deliver it. He made six trips with his mail truck to get it all to his room at the Manor hotel, Rural Route three, Joliet.

Timm had just moved to the room April first after his previous landlord—at 215 Herkimer in Joliet—had complained about his poor housekeeping.

His new landlord did also—and not to Timm but to postal inspectors—who found the mail in 11 sacks, two suitcases and two cardboard boxes in Timm's room.

Timm explained that he intended to deliver it all as soon as he found time. In the meantime, he admits opening some of the letters, explains he wanted to forward anything of value.

Some of the letters he opened, Timm says, contained small charity donations. Being short of cash as well as time, the mailman says he spent the money—but being an honorable man, he says he noted down the intended recipients and sent them equivalent amounts later.

Judge Joseph Sam Perry set bond for Timm at one thousand dollars—reducing it from three thousand dollars after he learned of Timm's excellent war record.

A barkentine was a three-masted vessel.

The diamond is the birthstone for the month of April.

STANDARD RESEARCH brings you

The Finest Motor Oil

In Our 67 Years

with this all-weather oil you can get up to 34.4 EXTRA MILES from a tank of gas!

Tests prove that Super PERMALUBE saves gas. It cuts gas-wasting friction drag... prevents power-stealing engine deposits. It resists thinning out... protects vital parts. More economical, too, lasts longer. See your Standard Dealer NOW!

You expect more from STANDARD and get it!

INTRODUCTORY OFFER

TEAR OUT THIS COUPON

Please detach and mail to: STANDARD OIL COMPANY, P.O. Box 100, Des Moines, Iowa 50319. This coupon is good for a quart of Super PERMALUBE motor oil. It must be presented to a Standard Oil Dealer on or before May 31, 1956.

NAME _____
ADDRESS _____
CITY _____ STATE _____
MAKE OF CAR _____ YEAR _____
I have been using _____ brand motor oil.

STANDARD OIL COMPANY
*Coupon not redeemable in Indiana, Nebraska, North Dakota or Wisconsin. In these states, watch your newspapers for special introductory offer, or see your Standard Dealer.

We will give you the First Quart—at no charge with your next drain and refill of Super PERMALUBE

It's simple. Take this coupon to your nearby Standard Oil Dealer and ask for a quart of Super PERMALUBE motor oil. The first quart costs you nothing. You pay only for the rest of the fill. Protect your engine... get top performance... and up to 34.4 extra miles in a tankful of gas. Come in today.

Lincoln-Way Thinclads Lose to Porters in Season's First Meet

By Don Lehmann

A near sweep in the field events brought the Lockport track team a 65-49 victory over Lincoln-Way in a contest held Wednesday at Lockport. It was the season opener for both squads.

Lincoln-Way was paced by a pair of double winners, Morris Wade and Stan Bruns. After finishing in a dead heat in the 100 yard dash, Bruns took the 220 yard dash and Wade won the half-mile.

Paul Padzuikas was the only victor in the field events for the Knights. He tossed the discus 111 feet 3 inches and also took second place in the high jump.

Lockport's Charley Travis won the broad jump and the high jump. Jerry Banister of the Porters was also a double winner by winning both hurdle races. In the quarter mile, John Sanders of Lockport just barely caught Bob Herman of Lincoln-Way at the finish line.

Lockport won the frosh-soph meet rather handily, 74-34. As in the varsity match, Lincoln-Way scored but one first place in the field events, which was by means of Dave McGuire's victory in the high jump.

Led by Dave Erikson, the little Knights swept the first three places in the half mile. Ed Donaldson and Ken Weber finished right behind Erikson. Jim Stauffenberg of Lincoln-Way set a sizzling pace to take the quarter mile. The only other first for the L-W frosh-soph came in the mile relay. Ed Donaldson ran a

Knights Drop Ballgames to Bremen and Rich High Schools

By Fred Kieslar

The Lincoln-Way Knights varsity baseball team dropped two decisions in conference play last week.

The Knights lost to Bremen 4 to 1 on the Braves field and last Thursday at the Rich town-ship field in Park Forest they were blanked 6 to 0.

In the game with Bremen the winning pitcher for the Braves was Wayne Buttery and the losing pitcher Denny Wheeler.

Tom Lockwood, who was on the mound for Rich, had a no-hitter. Mark Shellenberg, first baseman for the Knights, bunted safely in the second inning for the only hit Lincoln-Way had. Shellenberg injured his back later in the same inning and was taken out. A check revealed that the injury was not serious, however, and Shellenberg is ready to play.

Rich didn't get to Zechlin too much for that matter.

Rich got but five hits but five Lincoln-W errors helped them in the scoring.

Box scores:

Lincoln-Way (1)					Rich (6)

Frosh-Soph Nine At Sandburg Beats Rich Outfit, 7 to 4

Sandburg's frosh-soph nine got 7 runs on 5 hits to defeat the Rich Township Rockets 7 to 4. The Rockets collected only 4 hits off Richard Aird, winning pitcher. Coach Devine's boys are well balanced with 4 sophomores and 5 freshmen, several who were outstanding as pony league all stars. All of the sophomores were regular members of last year's outstanding team. Aird is a fine pitcher and first baseman and he is definitely an asset to the team. Ford is a regular ball hawk at second again this year and is showing better form than last year when he was one of the outstanding players.

Woodrow Wilson popularized the slogan, "America first."

Eagles Ball Team Drops two games-to Rich and Bremen

The Eagles of Sandburg dropped their first home baseball season to Rich, 7 to 1.

Sandburg scored the first run of the game, in the fourth inning, and that held up until the sixth when Rich tied it up. In the seventh inning, however, Rich settled down to work and piled up six more runs for a final total of seven.

The Eagles were held to three hits. Fuller was the winning pitcher, Weingartner the losing one.

The Eagles lost to Bremen in their conference opener, 11 to 4. The Eagles were limited to two hits.

Paleography is the study of ancient writing.

Honor Tinley Grade School Basketball Squad

Tribute was paid to the basketball talent of Tinley Park grade school at a recent assembly in the school gymnasium. The lightweights and heavies are shown here together. The lightweights wound up their season in second place in league play and second place in a post-season invitational tournament. William Kostecki, who also is show in the picture, is the coach.

Honor Tinley Grade Athletes At Program

Members of Tinley baseball and basketball teams were presented with letters and miniature basketballs by coach William Kostecki, following a program presented by seventh graders last Thursday, April 12, in the school gymnasium.

The lightweight basketball team finished second in the league and also won second place in the South Suburban elementary athletic association tournament held recently in Flossmoor. First place in the league and tournament was won by Blue Island. Each of the Tinley lightweight players received a medal and miniature basketball and the school was awarded a trophy.

Three members of the team received special mention at the tournament: Jim Hood for his exact number of points, most spectacular shot, and all tournament guard; Tom Propp for the most points in one game and all tournament center; Bill O'Neill for all tournament forward.

Under the direction of Coach Kostecki, the program preceding the presentation, included team games of tumbling, and a series of pyramids. A comedy feature act by Bill O'Neill and Jim Hood, 8th grade students, was cleverly performed.

Members of the lightweight basketball team are: Bill O'Neill, Peter Dolk, Tom Propp, Jim Hood, Gregory Nelson, Bruce Rodger, Richard Zawadzki, Bob Hanson, John Stason, Jim Casey, Harold Stege, Vernon Sloan and Charles Albright.

Sandburg Track Teams Triumph Over Reavis

The Carl Sandburg high school varsity track team won its first track meet of the season by romping over Reavis 77 to 40.

The thinclads collected 11 first seven seconds, and three thirds. Spectators saw an excellent meet. This year's track squad looks promising and should place well in the conference observers say.

Sandburg's frosh-soph also won edging out Reavis 53 3/4 to 33. Collecting six first, six seconds, and 5 thirds they looked good. Gulden of Sandburg was outstanding as he placed first in the high jump and tied for first in the pole vault.

Zieglers Cop Top Honors in Pin Meet With 3069 Total

The Ziegler Trucking bowling team of the New Lenox Tuesday Night Bowling League won the BPAA first annual local team handicap elimination tournament recently conducted at Davey's Lanes in New Lenox with a resounding score of 3069 pins.

Zieglers will journey to Dayton, O in June to roll in the BPAA national team handicap championship tournament conducted by the Bowling Proprietors Association of America, Inc.

Members of the winning team are: Ted Kelley, (capt.), Troy and Red Leyerle, Elmer Smith, Al Ziegler and Herb Pearce.

Sloan Resigns At Rich; Will Go to Waukegan

Greg Sloan, athletic director and basketball coach at Rich high school in Park Forest, has resigned to become head of the physical education department of Waukegan high school.

The change will become effective at the beginning of the 1956-57 school year.

Sloan will not do any coaching at Waukegan, it was said. He came to Rich from LaGrange where he coached his 1953 basketball team to a state championship.

At the conclusion of that school year Sloan resigned at LaGrange to except the post of athletic director at newly opened Rich high. He also took over the coaching of the basketball team with excellent success.

Sloan teams have dominated the Southwest Suburban basketball league.

Tinley Police Sponsors New Baseball Team

All age groups of Tinley boys, ranging from nine years old up, now have a chance to try out for baseball teams that will see organized competition thru the summer months. The latest age group to be added runs from 15 thru 17, as a part of the Tinley Park police department's organized youth program.

The 15-thru-17 group will hold its first tryouts this Saturday, April 21, at 2 o'clock on the Memorial park diamond. Players should bring their own gloves and, if they have them, spiked shoes. It is expected that the trials will also draw a flock of interested parents.

If the weather is such as to prevent an out-of-doors workout, the boys are to report at the village hall for a briefing.

William McBurney is to be the manager and coach of the new boy's team.

It was reported that a league made up of police-sponsored teams from neighboring towns in the south Cook county area is in the making. Games with teams backed by the Cook county police also are being considered, it was stated.

What the new baseball group may expect in the way of public support and interest may be indicated by the number of youngsters, parents and other interested adults that turn out for the tryouts Saturday, it was pointed out.

The Small-Fry league takes care of youngsters in the 9 to 12 year old group; while those ranging from 13 thru 14 can try for the Pony league at Tinley, and those from 15 up may find places in the Sportsman's league. With the new group all ages in the teen bracket will have a chance to play competitive ball.

Braves Drop First League Tilt in Three Starts to Oaks, 9 to 3

The Bremen high Proves dropped their first conference base- line game in three starts, 9-3, at Oak Lawn Thursday afternoon, April 12.

Wayne Buttery, Bremen pitcher, fanned 11 men and walked none in his seven inning stint but poor support affield handed seven unearned runs to the Oak Lawn nine.

In the first frame Oak Lawn sent three runs across the plate on an infield hit and three Bremen bobbles.

Roger Hug booted a ground- ball at short, and the runner advanced to second on Ron Stout's safe bunt. Both men scored on Bill Stolz's wild throw to first. Stout crossed the plate when O'Neill dropped a throw at first base.

Bremen entered the scoring column in the fourth with War- szalek's ringing single to center to drive in two runs.

Dale Hartwig ended the Braves' scoring for the fifth- noon as he doubled in the after- noon for the third and final marker.

Oak Lawn led the contest with four runs in the bottom half of the sixth.

LINCOLN ESTATES

Mrs. Martin Goetz, Tel. Frankfort 4236

The monthly meeting of the Ann Rutledge PTA was held on April 9. Lloyd Alton's class presented the program. Following the program an election was held as follows:

Mrs. Donald Ball, pres., Mrs. Charles Jones, vice president; Mrs. Walter Niedringhaus, secretary; Robert Wheeler, treasurer.

Mrs. Ball and Mrs. Geo. Kochler, delegates, will attend the state convention of PTA to be held at Peoria, April 19 to 21.

The highlight of the meeting was when Mrs. Geo. Walker, a former teacher of the Ann Rutledge school presented a book she had written on the history of Ann Rutledge school from the year 1932 to date.

Rural school teachers held their banquet last Wednesday evening, April 11. Those attending from Lincoln Estates were: Mr. and Mrs. John Van Donk, Charles Jones and Mr. and Mrs. George Kaehntel, also teachers Mrs. Isabel Davidson and Mr. and Mrs. Lloyd Alton.

Mr. and Mrs. George Kaehntel attended their club Friday evening at Tinley Park.

Miss Judy Hall was a weekend guest at the home of Mr. and Mrs. George Gavinas at Mat teson.

The PTA of the Ann Rutledge school will conduct a bake sale in Ray's Midwest store, Saturday, April 21 during the hours of 10 to 12 and 1 to 3 p.m. All members are being urged to be generous in their donations to this sale as the money derived from it will be used to pay for the field trips for the various grades of the school.

Rates Common Housefly as One Of Man's Deadliest Enemies

Roberts Mann
Conservation Editor
Cook Forest Preserve

We are bolder than we realize because, as the old saying goes: "Familiarity breeds contempt." People get goose pimples while watching some horror film on television, and shudder at pictures of spitting cobras prowling panthers or man-eating sharks and other deep sea monsters. Yet every summer and without qualm, they face one of the most dangerous animals in the world—the common housefly.

It does not bite and it does not sting but every time it lights on us or on our food there is a chance that it will leave a germ of some human disease. It can transmit typhoid fever, diarrhea, dysentery, cholera, trachoma and, perhaps, tuberculosis and polio. In fact, another name for it is the Typhoid Fly.

Since earliest times, throughout the world, the housefly has associated with man and been a pest to him. Fortunately, in America, it is now much less common and much less of a threat than in the horse and buggy days when it bred mostly in the manure piles around stables. Automobiles and trucks have replaced the horses. Garbage and filth, also prolific breeding places for houseflies, are largely disposed of in a sanitary manner. Nowadays we swat the fly, electrocute them, screen our homes, spray the garbage dumps and spray the barns on farms.

DDT and other insecticides developed during World War II have been extensively used to control flies but after a few years unfortunately, these insects develop strains which are immune. Consequently there is a constant search for new and more effective poisons. Some day, we hope, there may hardly be a safe place for a fly to light.

The housefly combines a capacity for producing great numbers of young with one of the shortest life cycles known. A few flies in early summer can produce millions of descendants by fall, and as many as ten generations in that single season. Each female lays about 500 slender whitish eggs in batches of a hundred or more at a time. A half-day later, in warm weather, each egg hatches into a tiny white larva called a maggot. After five days or more, the larva is full-grown and then transforms into a quarter-inch, brown, seed-like pupae or "resting stage". From these pupae, 3 or 4 days later, the adults emerge and are soon ready to start families of their own.

The average life span of an adult housefly is from 20 to 30 days. Occasionally, one may survive freezing weather if hidden away in a warm building but most of the parents of each year's crop spend the winter as maggots or pupae buried in stable litter or under piles of rotting grass.

Houseflies prefer bright sunlight but may be active in artificial light. An insatiable curiosity, guided by good eyesight and a keen sense of smell, leads them to explore every spot, stain, crumb or bit of spilled food. They have a thirst for and, having sucking mouthparts, can feed only on liquids. Solid foods such as grains of sugar, are sponged with saliva until dissolved and then swallowed.

A housefly's two transparent wings buzz at about 160 beats per second. Marked flies have been recaptured after travelling as much as 13 miles, but usually, they travel no farther than the nearest place to feed and lay eggs—perhaps in the same city block. Each of a fly's six feet ends in a pair of claws and a pad covered with hairs that exude a sticky fluid. That is why they are able to walk on a polished window pane or stroll around on a ceiling. They like to roost on a warm spot with a good view all around and a favorite perch, when you take an afternoon nap is on the end of your nose.

CHRISTIAN SCIENCE CHURCHES

How spiritual understanding of God, infinite Life, brings growth and progress to man will be brought out at Christian Science services Sunday, April 22.

The Lesson-Sermon, entitled "Probation after Death" will include the following passages from the Bible (Ezekiel 18:31-32): "Cast away from you all your transgressions, whereby ye transgressed; and make you a new heart and a new spirit: for why will ye die, O house of Israel? For I have no pleasure in the death of him that dieth, saith the Lord God: wherefore turn yourselves, and live ye."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (485:18-19): "Not death, but the understanding of Life, makes man immortal."

Depending upon the degree of water hardness prevailing in a given area, failure to soften water may cause rapid deterioration of the supply piping, water heaters, and home heating plants, necessitating replacement any time after six months from date of installation.

Twisted Snout Can be Bad for Pig Business

If you have a pig whose nose is pointed northeast or northwest when the pig as a whole is pointed north, you may have a serious swine disease problem in your herd. That pig probably has atrophic rhinitis.

Dr. L. E. Boley of the University of Illinois College of Veterinary Medicine says this infectious disease is one of the swine ailments that turn up frequently in the clinical and diagnostic services provided at the college.

Atrophic rhinitis causes shrinking of bones and decay of tissues in a pig's nose. It retards growth in young hogs. There is no known cure, but antibiotics may help some infected swine to gain weight to the point where they may be fed on a profitable basis. If the disease is mixed with pneumonia, death losses may be severe.

Symptoms that precede the twisted snout are sneezing, sniffling, and watery or perhaps bloody discharges from the nose. The cause and method of spread of the disease is not clear, but it can be transmitted by continuous close contact with infected pigs.

There are three control plans: 1. Farrow your sows in isolated lots and individual farrowing houses. Keep sows and newly farrowed pigs isolated until weaning time. Select breeding stock from those litters that show no sneezing or coughing, and isolate them from the rest of the herd.

2. Sell all your hogs; disinfect the premises and leave them vacant for three to four months; restock with animals from farms where atrophic rhinitis has never been present.

30 at which time the new officers will be installed.

Election of officers will be held at the meeting of the New Lenox Methodist Dramatic club at 8 p.m. Friday, April 20 in the church. A slate will be presented by the nominating committee, comprised of Marion Kerr, Jane Anderson and Vera Chapman.

Dean Yarbrough, son of Mr. and Mrs. Frank Yarbrough, Wabash st., underwent a tonsilectomy April 13 in St. Joseph's hospital.

Mr. and Mrs. Edmund Lubway, Vine st., entertained in their home Saturday night at a six o'clock dinner party, honoring their son Larry who was 13 years old Friday the 13th, his golden birthday.

Games and dancing were enjoyed and Larry received many nice gifts. Guests were from Chicago and New Lenox.

It was Father and Son night when the Holy Name Society of St. Jude church met Tuesday night, April 10 in the church hall. About 45 attended. The program chairman, Charlie Carahan, arranged the showing of two baseball movies, "Building Big Leagues" and "Umpire in Baseball" which were enjoyed by all. Dennis Kervin, coach of the basketball team which was sponsored by the Holy Name men, gave a final report of the season.

Refreshments were served with Bob Randolph in charge.

Mr. and Mrs. Peter Sinclair had as their guests this past week, her sister Mrs. Fannie Orbach and her niece, Mr. and Mrs. Robert E. Sablotney of Decatur who were guests Thursday; Mrs. Anna Cooper and Mrs. Hattie Pugh of Joliet on Friday; and Mrs. Mollie Sablotney, Mrs. Ellen Sablotney and son of Decatur, and Mrs. Lucille Shannon of Chicago Saturday.

Mrs. Marion Kerr opened her home last Monday night to the regular monthly meeting of the Planning Committee of the local Cub Scouts.

The regular meeting of Cub Scout Pack 8 will be held at the Lions Den on Thursday night, April 26.

Danny Walker led in the singing of hymns at the meeting Sunday night, April 15 of the MYF in the Methodist church. Virginia Feil had the prayer and scripture and Sharon Vally gave the lesson.

Over 700 dinners were served at St. Jude Sunday. This was the largest crowd ever to attend this annual affair. Besides patronage from our locality, many visitors attended from Joliet, Chicago, Hinsdale and other places. Elaine Griffin, Margie Berens and Marilyn Zusek played organ music during the dinner. Harold Lenhardt of Frankfort was awarded the prize.

Hi teens week at St. Jude church will start with Communion Sunday, April 22 at the 10:30 mass. A communion breakfast will follow. The eighth-grade students of the school are invited to attend. These students are eligible for membership in the group after their graduation in June. They are also welcome to attend the Hi-Teens bi-monthly meeting Thursday, April 26.

In preparation for the feast of St. Anthony, a public Novena will be held each Tuesday morning after the 8:30 mass in St. Jude for the nine Tuesdays preceding the feast on June 13. The church recently received a relic from the remains of St. Anthony Blessing with the relic will follow the novena prayers.

On Saturday night, April 21 the New Lenox Riding club will hold its annual banquet and election of officers for the coming year, at Arch Inn, on Route 30 and Harlem ave., at 6:30 p.m. Mr. and Mrs. Don Waring and Mr. and Mrs. Robert French are on the committee in charge.

The regular business meeting and election of officers for the new year will follow.

Mrs. Martha McDonald of Joliet will discuss and demonstrate the art of trimming hats at the meeting of the Evening circle in the Methodist church at 8 p.m. Tuesday, April 24. Mrs. Warren Hair will lead the devotions.

During the business session there will be an election of officers.

Mr. and Mrs. Fred Feil, North Cedar rd., entertained Saturday at a party honoring their daughter Virginia, who was celebrating her 13th birthday anniversary.

As a surprise to the group of boys and girls, later in the afternoon Mr. Feil took them all for a ride in his truck ending at Messenger Forest Preserve, where Mrs. Feil was awaiting them with a birthday supper, a big fire and a weiner roast with all the trimmings. Virginia received many lovely gifts.

Those present were the Misses Sharon Vally, Paulette Anderson, Marsha Weiss, Karen Braun, Merry Lee Collatz and Jane Berlin. Also Kent Engel, Ross Nelson, Dale Anderson, Terry Baker, Danny Walker, Ed Kisting and Bob Glenn.

Mr. and Mrs. Earl Schroeder and family had as their guests over the past weekend Mr. and Mrs. Laurel N. Ross and Mr. and Mrs. Quincy Honacker from Brownsville, Ind.

Mr. and Mrs. Charles Kerr and children had as their guests for dinner in their new home, Thursday, Mrs. Minnie Phillips and Mrs. Pearl Sterling of Joliet. Today they will entertain Mr. and Mrs. George Phillips and children of Joliet.

Miss Stella Mateer was hostess in her home on Fir street Wednesday night at a dinner party honoring the birthday anniversaries of Mr. and Mrs. Harry Brockway, and Charles Kerr. Guests were the Brock-

ways and Mr. and Mrs. Kerr and children Marsha and Bob.

Mr. and Mrs. Clair Christian, Wood st., have as their guest their two year old granddaughter, Susan Marie Christian of Los Alamos, New Mexico whom they are seeing for the first time. Susan's father, Dr. Richard Christian, has visited here several times when making business trips in this section. He is now on such a trip to the University of Illinois and to Notre Dame in Ind. They arrived Friday by plane from New Mexico and will remain here until Sun.

From Buckram Frames to Smart Spring Bonnets

A fetching spring bonnet can come from your sewing room as well as from an expensive millinery shop.

Buckram frame hats are the easiest hats for you to make at home, says Mrs. Lorraine Trebilcock, University of Illinois

textiles and clothing instructor. The frames are available at any millinery supply store.

Before making a hat, you may try them on so that you can see which style is most becoming to you.

Let your imagination determine the materials for the hat. Just about any material is suitable for buckram hats—from nubby burlap to hand-crocheted braiding. Scraps from a suit or coat stretched over a buckram frame add a matching note to an ensemble.

If you decide to buy new material, millinery material is best because it is designed for maximum stretch. Straw cloth is good for covering buckram frames. Yard goods, such as jerseys, sheer wools and other stretchy fabrics, make satisfactory hats.

For detailed information on

covering buckram frames, write for "Easy-to-Make Hats," Col- lege of Agriculture, University of Illinois, Urbana, Illinois.

The only one of the seven wonders of the world, still in existence, is the Egyptian Pyramids.

In looks, too, Ford's out front—with styling that only the Thunderbird could inspire

Ford goes First!

In Performance

At NASCAR's Speed and Safety Event at Daytona, Ford won the Manufacturer's Trophy for best all-around performance. And Ford's 225-h.p. Thunderbird Special V-8, in one day, smashed 30 world speed records at Kingman, Arizona. No wonder Ford is the world's largest-selling eight.

In Safety

When the editors of "Motor Trend" unanimously voted Ford's safety program "the top car advance" of 1956, they had in mind Ford's Lifeguard Design... a whole family of safety features, including a deep-center steering wheel and double-grip door latches, to help protect you in case of accident.

In Economy

In this year's Mobilgas Economy Run, a Ford Customline V-8 with Fordomatic won over all cars in its class. The sturdier, heavier Ford carried more weight with greater gasoline economy per pound than any competitive car... "sixes" as well as "eights"! Ford proved itself a regular gas miser.

Band Entertainers

Members of the L-W band entertained the April meeting of the P. T. G. Paul Schuh who received a superior rating on his solo "Concertino" at the district contest was accompanied by Rudy Guzik. A woodwind trio which also won a superior rating entertained. Members were Paul Schuh, flute; Diane Batson, oboe; and Bette Croes, clarinet. On Sunday, April 15 the band played selection for the groundbreaking ceremony of the Lincolnwood Hills Civic Association. On this occasion construction

was begun for the new community building.

Members of the band have also been selling tickets to the Southwest Suburban Conference music festival on April 20 and helping the Band Boosters Association sell tickets to their dance on April 28.

Phi-Chem Elects Officers

The Phi-Chem Association of Lincoln-Way elected officers for the 1956-57 school year last week. The new officers are Alan Mager of Frankfort, president; William McCormick of New Lenox, vice president; Jackie McGinnis of Mokena, secretary and James Waring of New Lenox, Business Manager.

The new board had a joint meeting with the retiring board last Wednesday evening, April 11. One of the first jobs among the future activities which they discussed was the selection of the recipient of the Association's annual scholarship which is awarded to the outstanding senior science student.

Several activities were planned for early fall as well as a final picnic this spring. Preliminary plans were made for a picnic in September, the annual parent banquet in October, and printing of the student directory, "The Little Red Book."

The Phi-Chem Association is an organization of junior and senior science students who attempt to interest others in science and develop and nurture their special scientific interests through association of interested students.

The group is sponsored by H. Neil Hardy, chairman of the science and mathematics department. Retiring board members are James Cooper, president; Paul Landahl, vice president; Diane Ulrich, secretary; Paul Schuh, business manager; Robert Olson and George Dath are laboratory assistants.

Student Teacher

Miss Arlene Viviani of Marseilles, Ill., will be the student teacher in the home economics department for the rest of the semester. Miss Viviani is a senior at Illinois State Normal university, majoring in Home Ec. She arrived Monday, April 9, and is staying with Miss Marilyn Doubet and Miss Ariette Rittenhouse at Lincolnwood.

Miss Viviani says: "The students are very fortunate to have such a fine school with such modern equipment. The faculty and students have been very friendly and I'm sure that I'm going to enjoy my stay here very much."

She replaces Miss Lois Williams who had been at Lincoln-Way for the past nine weeks but returned to the campus to finish her studies there.

Librarians Attend Conference
Four student library assistants and Mrs. Welch, the librarian attended a conference for student librarians in the area at Thornton township high school at Harvey Thursday afternoon, April 12, from 3:30 until 6. Jean Bettenhausen, Sheila Bennett, Suzanne Eriksen and Ed Zitter were the local representatives. The student library assistants group has been recently organized in this section of the state.

although there has been a definite interest in organization all over Illinois. It is hoped that a state wide organization will eventually be an outgrowth of these districts.

Miss Carolyn Whitenack, supervisor of school libraries in the state of Indiana addressed the students. They were given an opportunity to meet students from other schools. An informal dinner was served by the host school as a climax to the afternoon's activities.

Future Teacher of America

The officers of the F.T.A., with their sponsor, Mrs. Della Hussey, attended the eighth annual convention of the Illinois Association of Future Teachers in Champaign-Urbana April 6 and 7. On Friday the students were taken on a tour of the University of Illinois campus. Later all students were invited to attend a mixer where introductions were given and the campaigning for officers was conducted. Recreation was provided giving the students a chance to meet and become acquainted with students from other schools in the state.

Saturday they attended the business meeting which took up most of the morning. In this meeting two of Lincoln-Way's students, Jackie McGinnis and Pat Wilson, were voting delegates. The voting for amendments to the constitution and also for the state officers for 1956-57 were among the things done at this meeting.

Later in the early afternoon they attended a banquet. An afternoon of entertainment was planned along with the results of the election.

Those from Lincoln-Way who attended were Barbara Rollings, Jackie McGinnis, Pat Wilson, Tom Dunham and Ted Dunham.

On Friday, April 13, several of the members of the F.T.A. visited the Trinity school for mentally retarded children. Their teacher recently spoke to the group and invited them to

visit the school and find out more about how these children are taught.

Number Lover's Corner

Answers for last week.
1. A ZUFFERS and ZEAKLES. If there are over 1,000,000 ZAFFONS, each having not more than 10 ZUFFERS, there must be at least 999,990 with equal quantities of ZUFFERS. (For there cannot be more than 10 ZAFFONS with different numbers of ZUFFERS in them.)

2. If each ZAFFON had only 1 ZUFFER (the minimum number possible) there would be over 1,000,000 ZUFFERS in a drop of ZOOP. But as there cannot be more than 10 ZUFFERS with different numbers of ZEAKLES in them, there must be at least 999,990 with equal quantities of ZUFFERS, and only 10 ZUFFERS can have different quantities of ZEAKLES. (It might be impossible, for example, to have an odd number of one of these in another... whatever they may be.)

3. D and E must be called false since it cannot be proved positively true that any ZAFFON contains any given number of ZUFFERS or ZEAKLES. (It might be impossible, for example, to have an odd number of one of these in another... whatever they may be.)

4. 672
5. 65
New Problems:

1. NINE FIGURE NUMBERS.

Here you are to find three numbers, using the nine figures 1, 2, 3, 4, 5, 6, 7, 8, 9. First you are to write down a number that contains all the nine figures. Then, underneath, write down another number containing all nine figures, but in a different order. These numbers must be of such values that when you subtract the second from the first, the difference will be a number which also contains all the nine

figures—no two figures in it being the same.

Hint—try to solve this one by using the easiest numbers you can think of. Don't try to do it the hard way.

2. STEPPE BL STEPPE. A little adventure in Soviet geography.

1. It's as far from OMSK to UMSK as from AMSK to MONSK.

2. It's as far from MINSK to MUNK as from MANSK to MONSK.

3. MONSK is on a straight road north from MINSK to UMSK.

4. MONSK is on a straight road east from OMSK to MUNK.

5. AMSK is 8 miles north of OMSK and 8 miles west of UMSK.

6. MANSK is 6 miles south of MINSK and 6 miles east of OMSK. How far is it from OMSK to MINSK? — How far is it from UMSK to MUNK?

Juniors Write Term Papers

Monday, April 9, was T-Day for Lincoln-Way juniors in English and U. S. History. For the past several weeks they have been diligently engaged in research for a term paper, a joint project of the two classes. Monday marked the final deadline when each student was to present his finished product, a paper consisting of at least 2,000 words, an outline and bibliography.

During the period students utilized the facilities of every library—home, school and public library in the community. Books, magazines, pamphlets, motion pictures, television and personal interviews were all acceptable as sources. Each paper was required to be based on facts from at least ten sources.

The topics varied greatly depending on the interests and ambitions of the writer. For some, the paper, since it was a requirement, was looked upon as drudgery, while for others it represented a real challenge. Some of the topics selected

were: Story of the San Francisco Earthquake, History of Jazz, Sinking of the Titanic, American Documents, History of the Mokena Methodist Church, History of Football, Carlsbad Caverns. Other chose to write on great personalities such as MacArthur, Eisenhower, Alexander Graham Bell, Davy Crockett, Franklin D. Roosevelt, and Gertrude.

G.A.A. Playday

The Girls' Athletic Association has been industriously planning its first eighth grade playday. The date has been set for Saturday, April 28. Registration will be from 1 to 1:25 in the gymnasium.

The purpose of the playday is to acquaint next year's freshman girls with the girls' athletic program and also to bring the girls from the four towns, so they will not be complete strangers when schools opens next fall.

G.A.A. members will act as hostesses and assistants thruout the day's activities. From 1:30 to 1:55 there will be a general meeting, during which time A. Hunter Chapman and the G.A.A. president, Marilyn Boleman, will welcome the girls and orient them as G.A.A. policies and the proceedings to follow.

They will be divided into teams which will participate in each of the following activities for a twenty-minute period: volleyball, relays, dodge ball, tours of the school, and the trampoline.

The program is under the supervision of Miss Barbara Sprayberry, the girls' physical education instructor.

Another waste of hard water is soap used for laundering purposes. In water of 20 grains hardness (anything over three grains is classified as bad water, in need of softening) nearly 70 per cent of soap used is wasted.

An Indian adjunct is a large stork-link scavenger.

Calumet High Band Will Practice In Soundproof Rooms

(By Community News Service) Band students at Calumet High school will be able to practice in soundproof rooms, under a contract recommended to the board of education, Wednesday by Supt. Benjamin C. Willis. The rooms for practice will be on the lunch room balcony. The work was requested and approved by the school staff, said the superintendent's communication. Total cost of the contract would be \$12,365.

Before you buy a home, make sure it has

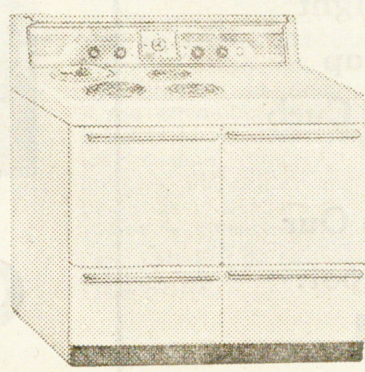

100 PLUS

WIRING!

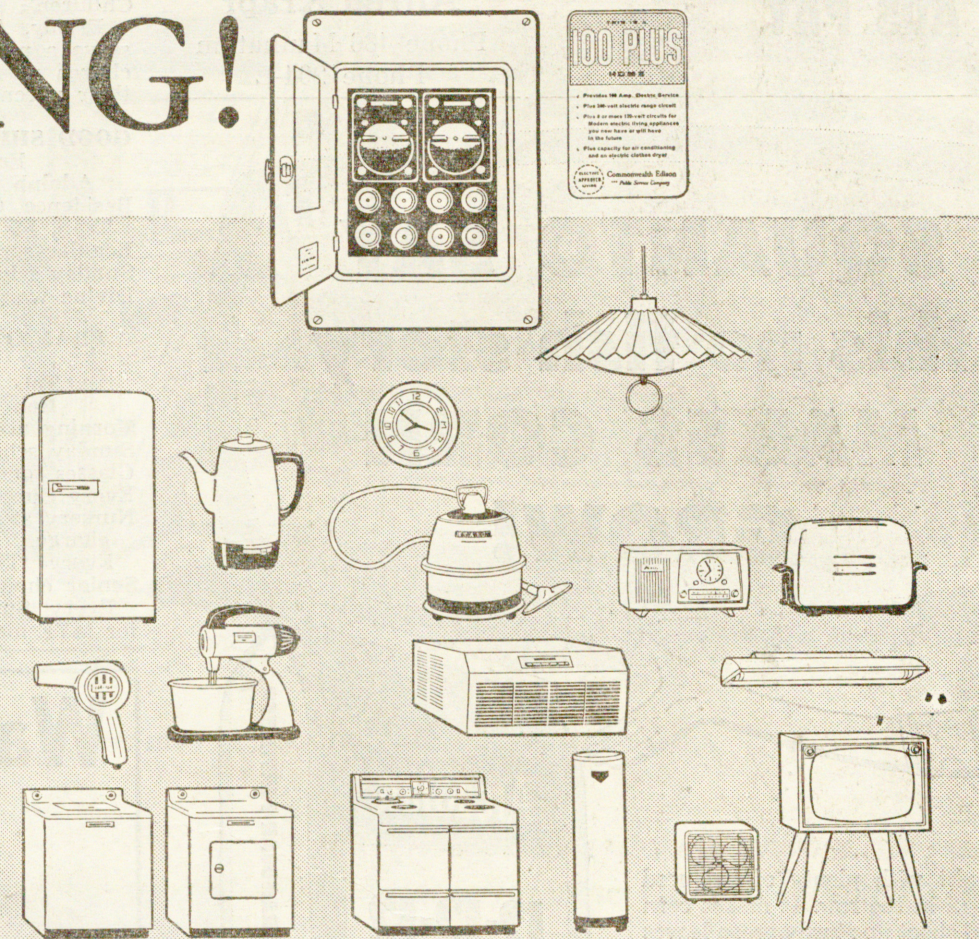

What 100 PLUS wiring is:

1. A modern 100-ampere fuse box (the electrical distribution center of your home) supplies the "housepower" you need today.
2. Plus a 240-volt wiring circuit for the new electric range in every 100 PLUS home.
3. Plus 8 or more 120-volt circuits for Modern Electric Living appliances you now have or will have in the future.
4. Plus capacity for air conditioning and an electric clothes dryer.

A new automatic electric range in every 100 PLUS home!

A beautiful, new, modern electric range means the cleanest, coolest, fastest cooking you have ever enjoyed. And it is yours, installed and ready to use—conventional or built-in—in any 100 PLUS home that you choose!

HERE'S WHY YOU NEED 100 PLUS WIRING: Shown above are a few of the sixty-some electrical appliances in use today. Your family probably has a number of them now. And in time, you'll add many more. This is why, when you buy a new home it's a good idea to make sure your home has the electrical capacity or "housepower" you need for living better electrically. Look for the home with the 100 PLUS sign and be sure.

The home that has this sign has the kind of modern wiring we endorse... the kind you need to LIVE BETTER ELECTRICALLY!

FRANKFORT

Mrs. Katharine Heisner
Frankfort 4902

The Frankfort-Mokena Home Bureau Unit held its social meeting Saturday evening in the home of Mr. and Mrs. William Seemann. Honors in cards were awarded to Mrs. George Elsner, Mrs. Marvin Kohl, Fred Piepenbrink and William Seemann. Luncheon was served.

Mr. and Mrs. Ervin Schellhase, Mr. and Mrs. Walter Carlson and Mr. and Mrs. Charles Mark were Sunday evening dinner guests of their aunt Mrs. Christ Schellhase at Riverdale.

Mr. and Mrs. Roy Thorensen attended the floor covering show held at the Merchandise Mart in Chicago Sunday.

Mr. and Mrs. Herbert Lambrecht, Mr. and Mrs. Paul Lambrecht and family attended the wedding of James Gerodinos, held Saturday in the First Methodist church in Harvey. Tommy Lambrecht, son of the Paul Lambrechts was ring bearer.

Mr. and Mrs. Paul Lambrecht and children returned last Thursday from a month's tour in Florida. Their children joined their parents two weeks ago when they accompanied Mr. and Mrs. Robert Anderson of Joliet when they flew to Florida.

Marcia Kay Deist attended the birthday party of Barbara Walsh at Joliet last Friday.

Members of the Women's Guild of St. Peter's church entertained at a Liza Hunt, "Lunch is Served" luncheon last Thursday in the church parlors. There were about 110 present.

The Rev. Ben Day, Mrs. Arthur Mark, Mrs. Katherine Heisner, Miss Janet Bauch, Miss Donna Miller, Miss Beverly Hedge, Arthur Mark Jr., Charles Mark Jr., Laverne Mark, Charles Otto and Jimmie Dixon, attended the Passion play at Bloomington, Sunday.

Mr. and Mrs. Sam Lorenz and Miss Esther Lorenz of LaCrosse, Wis. and Mrs. Joseph Hutzler of Gulf Breeze, Fla. were weekend guests last week of Mr. and Mrs. Arthur Mark.

The Frankfort Honey Bees 4H club will meet April 20 at 7 pm. in the Methodist church.

Elaine Mager will give a demonstration on Brownies; Marsha

Schweizer on how to use a sewing machine; Beverly Kluth on the parts of a sewing machine, and Juanita Hansen on stay-stitch with guides. Juanita Hansen will direct the games.

Hostess will be Norma Jean Smith and Esma Bell.

Dr. and Mrs. O. J. Novota entertained in their home last Friday, the Richard Kortanek's family to honor the first birthday anniversary of their son Thomas; Sunday afternoon they entertained the following relatives in honor of the event: Mrs. Christine Novota, Mr. and Mrs. Herman Boettcher and family, John Zoonar and family, Mr. and Mrs. George Hahn and family and Mr. and Mrs. William Babinec and family all of Chicago.

Mr. and Mrs. Avery Kolstad and family returned Sunday from a two weeks vacation spent with his parents, Mr. and Mrs. Bonhus Kolstad at Pomona, Calif.

Frank Folkers honored his mother and her birthday by taking her to Chicago where they attended the play Oklahoma.

Mrs. Margaret Koerner has returned from a two months stay with her sister, Mr. and Mrs. Wilbur E. Myers at Los Angeles, Calif. She also visited Mrs. Hinda Lewin while there.

Mrs. Herbert Folkers attended the Trailway Girl Scout executive board meeting in Kankakee Wednesday evening.

Mr. and Mrs. Wilbert Klier entertained their club Saturday evening in their home. Prizes were awarded to Mrs. Ervin Schellhase, Mrs. Klier and Clyde Reils. Later refreshments were enjoyed.

Mrs. Blanche Mitchell is a surgical patient in Silver Cross hospital.

Mrs. Burnett Schram was the honored guest last Tuesday evening when a group of relatives came to her home to help her celebrate her birthday. Those present were Mr. and Mrs. Joseph Hartung and family of New Lenox; Mr. and Mrs. Ralph Nieland and family, the Clark Bennetts and Mrs. Bertha Nieland. A social evening with refreshments was enjoyed.

The Rev. and Mrs. Erich Bizer and Mr. and Mrs. Al Hochberger motored to Peoria Sunday afternoon and visited with Mr. and Mrs. Ernest Spannhake. Later they went to see the new church at Pekin.

The Women's Guild of St. Peter's Evangelical church will meet next Thursday, April 26 in the church parlors, beginning with a dessert coffee luncheon at 1 pm. Mrs. Gilbert Voss will preside at the business meeting. Mrs. Alfred Zechlin will be in charge of the devotions and the program will be directed by the Christian Social Action department. The topic will be "The Forgiving Church."

Robert Mitchell and Richard Schoeling were re-elected as directors for school district 157, Frankfort public school. They received 54 and 51 votes respectively. Vernon Hansen received one vote.

LINCOLNWOOD

Dolores Anderson,
phone 3651 New Lenox

The Schmul school Community club will have a pot luck supper in the school Friday, April 27 at 7 pm. The regular meeting will be held after the supper and those attending are asked to bring a dish to pass, their own table service and pop for the children. Cards and bunco will be played following the meeting. Mrs. Dan Owen, Mrs. Jack Otis, Mrs. Ed Hollenbeck, and Mrs. Roy Peterson will be hostesses.

The community club bakery sale held last Saturday at the Lincolnwood Drive Inn was a huge success, and those in charge were very grateful to Mrs. Bradley of the restaurant who so generously donated them the space for their sale, and the 7th and 8th grade girls who worked at the sale, and to those who donated so generously.

Mrs. Mary Shuldes of Berwyn was a weekend guest of the Clarence Newman family.

The following group from Lincolnwood Hills Lions club attended the Ladies Night banquet of the Lions club Saturday night in Cantigny Post hall in Joliet; Mr. and Mrs. Harold Wollenhaupt, Mr. and Mrs. Vern Newsome, Mr. and Mrs. Fred Cortright, Mr. and Mrs. Bill Hocker, Mr. and Mrs. Earl Sulzberger, Mr. and Mrs. Lee Keller and Mr. and Mrs. Clare Newman.

Mrs. Al Kalmer who has been ill in her home for several days is improving.

Mr. and Mrs. Vern Newsome and family had as their guests Sunday, Mr. and Mrs. Joseph Doyle and daughter Mary Ellen of Riverdale.

The Lincolnwood Hills Civic Association met Wednesday, April 11 in the Lincoln-Way high school. Final plans were made for the ground breaking ceremony of the Community Recreation building. A nominating committee consisting of Edward Hollenbeck, Vern Newsome and Ralph Wright was formed to select possible officers for the association.

The election will be held at the next meeting May 9. The Auditing committee will audit the association books during this month.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

The majority of Laguna Woods voting population went to the polls last Saturday to elect two new members for the school board. Mr. and Mrs. Geo. Carroll took time out from their own chores to see everyone knew about the election and to personally urge them to vote.

"Dekes," your thoughtfulness of the road situation and trying to avoid dust in the neighborhood is appreciated, however you needn't go to such extremes while instructing a pupil! Next time use the drive its easier!

Mr. and Mrs. Al Carre plan to move into their new home the first of May. They have a lovely view of the small pond and surrounding terrain from their picture window wall living room. They have a grown son and two daughters school age, Debbie and Julie.

Mrs. Leeland, Mrs. Carre, Mrs. Woodbury and Mrs. Bitterman have been busy all week transplanting shrubbery for their homes. Art Arnold has been on a week's vacation to take charge of his landscaping and planting of 80 small evergreens for his home on Laguna Point. The Arnolds have enclosed their porch with Jalousie windows and it looks lovely. It's a pleasure to drive by the Nelson and Verhagen homes with their already green lawns, and attractive landscaping, its an incentive for the rest of us. However almost every where the Woods hums with activity.

Mr. and Mrs. Wm. Donohue have their plans in to be approved by the directors and plan to build a bi-level on the back

road. Mr. Haftner who has the corner lot behind the Anderson home plans to build next year. Karl Bach a new lot owner, and Mr. Haftner are acquainted.

Dave Anderson, (no relation) who did the stone work on the Anderson home and was out Saturday to complete the lannon stone flower box has gone into partnership as Anderson-Janzon Mason Contractors of Tinley Park.

Mr. and Mrs. Chris Manos have returned from a vacation trip to Van Nuys, Calif. They visited their daughter and grandchildren. The Manos flew to the west coast by Slick Airlines on Easter Sunday and returned by train on April 11. The California weather was wonderful but they were glad to return to their hilltop home in Laguna Woods.

Informal entertaining in Laguna Woods is fun, especially when you have a good cook living next door. Mrs. Hygie dropped in for a cup of coffee on Sunday and brought her son Norman who is Charles's age. The boys watched television and played in the den. The Tabberts who are next door neighbors and were working in their yard were also asked on the spur of the moment, and Mrs. Tabbert brought over an oven fresh apple pie.

Check Facts When You Buy

Buy—rather than be sold—new household equipment.

Catherine M. Sullivan, University of Illinois home management specialist, reminds you to use your head and check facts when buying household equipment. Don't buy on impulse just because a salesman's persuasive talk appeals to you on the spur of the moment.

When you have decided to buy a special piece of equipment check prices in several shops. At the same time, look for features that will give the performance you want. See that the equipment is adapted to the way you plan to use it. Note carefully the workmanship, size, shape, general design, regular and special features.

Decide just what you are paying for. Are the "features" just for "show," or do they provide "built in" maid service?" Also, is the equipment worth its cost to you?

Before you pay your money, check the reliability of your dealer and the availability of service.

See if the piece of equipment has a guarantee or warranty. And know the difference between the two. An electrical magazine defines them as follows:

A warranty by the manufacturer is a promise to replace the factory a part or unit found to be defective.

A guarantee implies diagnosing the failure of an item and furnishing the labor required to replace the part and put the equipment into operating condition.

Some five year warranties include labor for the first year only, others for the five years. Guarantees may be limited to certain parts of a piece of equipment, not to the entire unit.

Read as many articles and talk to as many people as you can about a piece of equipment before you make a final decision to buy. Just remember that no one source has the answer.

The Seven Wonders of the world were created by man.

A mastodon is an extinct elephant of great size.

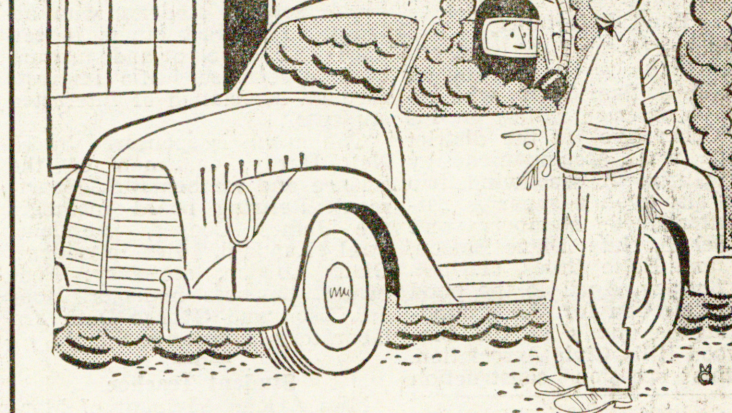

NOTICE TO HOMEOWNERS AND CONTRACTORS

At Caterpillar—

Education plus Experience equals SOUND TRAINING

Yes, at Caterpillar Tractor Co., EDUCATION is a mighty important word... important because Caterpillar trainees and apprentices learn through INSTRUCTION, as well as PRACTICE. These young men spend 10 per cent of their total training time in well-lighted, air-conditioned classrooms equipped with technical books and film projectors. Added to these facilities is a training staff whose chief interest is the welfare and progress of their industrial "students."

If you're a young man interested in an industrial career, you're invited to visit us at 9 a. m. or 1 p. m., Monday through Friday, for a trip through our plant and a look at our training facilities. If you wish, bring Mom or Dad with you—they'll enjoy it, too!

Classroom instruction...

... Plus on the job training

MAKES CORN
GROW!**

Start your corn right with plenty of balanced ARCADIAN® 12-12-12 in the row. It makes corn dig its roots down and shoot up sturdy green leaves and stalks. Rich in nitrogen, potash and water-soluble phosphorus, ARCADIAN 12-12-12 full-feeds your corn right from the start, if you use some in the row as well as plowing it down before planting. It takes fewer bags of concentrated ARCADIAN 12-12-12 to supply all the plow-down nutrients your crop needs. The firm, dustless granules flow easily through the planter and dissolve quickly in soil moisture. Quick-acting and long-lasting ARCADIAN 12-12-12 is a labor-saver and a corn crop maker! Place your order today!

Chances for the Future?
Editor:
It has been announced by the United States government that a series of H-bomb tests will be made in certain islands of the Pacific, starting April 20.

We believe the continuance of H-bomb tests by either Russia or America increases the fear and misunderstanding between the two great power blocs, and increases the difficulty of peaceful settlement of the problems of the world.

Both houses of the Japanese diet have unanimously petitioned the United States government not to conduct the tests. We believe another series of tests by America in the Pacific may finish the small amount of good will we have left in Asia.

Scientists know that H-bomb explosions release into the atmosphere radiation material harmful to the human organism; geneticists are uncertain as to the extent of long range effects of such radiation on the human genes, but all are agreed that it will have adverse effect.

Secretary of State Dulles told a British statesman that he had not heard of any great amount of opposition on the part of the American people. We think everybody ought to protest this action on the basis that we may be risking the destruction of the human race.

THE BIBLE SPEAKS

International Union Sunday School Lessons
BY DR. KENNETH J. FOREMAN

Background Scripture: Acts 6:1-8:3
Devotional Reading: Psalm 107:1-8

Unto Death
Lesson for April 22, 1956

WHY do people get killed for being Christians? It seems incredible, and it hasn't happened to most Christians. But it does happen. Christianity was perhaps only a few months old when the first martyr, Stephen, met his death at the hands of a mob. Now the peculiar feature of that mob was that it was so respectable. Not a hoodlum in the lot. They were all civic leaders, men high in religious circles. In fact, it was the high court that adjourned and became the stonethrowing mob. They would not have said that Dr. Foreman they murdered Stephen. They would have said they executed him. But that makes it all the more of a puzzle. A hoodlum might shoot down a good Christian just for meanness, but why should men of distinction kill a man for no other crime than being a Christian?

Blood of the Martyrs
Before trying to answer that question, we might glance through history and see a few other cases. Circumstances vary, but the kind of martyrdom that was Stephen's is always essentially the same. No one ever brings the killers into court. Who would have brought suit against the Sanhedrin for killing Stephen? They were the court. Who could arrest the Emperor Nero for burning the Christians alive in his gardens? Who could have written a letter to the paper (if there had been one) complaining about the mass murders, by great emperors like Diocletian or Marcus Aurelius, of innocent Christians? So it was when Joan of Arc was burned at the stakes, or when "Bloody Mary" was running wild against the Protestants, or when the Russian revolution caused the death of nobody knows how many hundreds of priest, or when the Chinese

revolution has brought death to Christians again in our time. The persecutors may be bishops, and arch-bishops, heathen emperors, "people's governments," or African chiefs, they always have the law on their side, and what is more serious, they have public opinion. When the early French missionaries to the American Indians were tomahawked, as so many of them were, does any one suppose that their scalps were buried to destroy traces of the crime? Not a bit of it,—some Indian warrior wore the scalp and was the envy of everybody in his village. Always the murder of the Christians is done with public knowledge.

Persecution Can Be Avoided
We can move a little closer to our question by remembering that the church has not always been persecuted. Sometimes it has been highly praised, welcomed, honored. It may even succeed in running the country. Nobody would dream of persecuting it,—in fact, it may turn the tables and persecute other people. Oh—you say at once—when that happens, it isn't the church of God any more; the true church will always be persecuted, and when it isn't, it is a sign it is no longer the true church. —There is some truth in that, but it is saying too much. A church may be free from persecution and still be largely Christian. However, you can set it down as a rule: Whenever the church, and the people in it, do just what everybody else does and think what every one thinks, then it will not be persecuted.

"I Had a Higher Fuehrer"
Martin Niemöller is a case in point. He was a hero of World War I who later became a minister. When Hitler took over Germany, Pastor Niemöller went along with what Hitler did, or at any rate he said nothing, for a long time. And all that time, Martin Niemöller went right on with his church work undisturbed. Then finally Hitler was too much even for Niemöller's strong stomach, and he defied Hitler. "I had a higher Fuehrer," he said years later, a higher Leader. So the police came and marched that minister off to jail, one morning after church. You see? The church is never persecuted when all it says to the world around it is "Yes, yes, we agree!" The church has been persecuted, and will be persecuted here in America even, if and when—like Stephen of old—it dares to set above public opinion, custom, "mores," respectabilities, authorities and powers, the Higher Leader.

(Based on outline copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. Released by Community Press Service.)

Washington News Letter

Pertinent Quotes from Douglas MacArthur

Gen. Douglas MacArthur, the greatest living American statesman and soldier, points out some of our State Department's mistakes during the past 20 years. The following quotes cover some of those mistakes:

A. "We kept pouring more and more into Europe. And all the while Russia was delighted—at the Marshall Plan and at our stacking of arms in Europe while arms were being rationed in Korea. All this time, Russia had no idea of aggression in Europe."

B. "We don't seem to realize that the U. S., with only 160 million people, is too small to be a controlling factor everywhere around the globe. We have reached our straining point. We have mortgaged ourselves to the limit."

C. "Russia has no intention to use war if war can be avoided. Russia is doing too well without war. At the present pace, Russia needs to do nothing but to take advantage of our errors."

D. "We try—like Pinocchio—to stick our nose into everything in the world, with the foolish idea that we can settle everything with the wisdom of our State Department—and the State Department is probably as uninformed about the Orient as any chancellery in the world."

E. "The ignorance and recklessness of the State Department are exemplified by the way in which we lost Asia. We had Asia in the hallow of our hand at the end of the second World War. At that time we had opened to us a new economic frontier standard of living in that area, have been devoted to raising it in Asia. The next century could with tremendous new economic potentialities. But we threw it all away."

F. Doubt has been expressed by General MacArthur that France, Italy, or even Britain—America's strongest allies—will ever fight another world war. He says: "They know they would be destroyed. They will make some peaceful arrangement. Whatever they say, events have neutralized those nations. If war comes, it will be between

the Slavic and American peoples."

Exports of Iron and Steel Scrap

Before Pearl Harbor we had been shipping enormous amounts of iron and steel to Japan that the Japs turned into guns, ships, airplanes, etc. It was a mistake to furnish Japan with the raw materials from which she could, and did, build her war machine.

History repeats itself. We are now shipping enormous amounts of iron and steel scrap to some 30 different countries—some of them not very friendly. The following is the record of these amounts for the past three years:

In 1953 307,673 tons;
In 1954 1,507,310 tons; and
In 1955 5,047,942 tons.

That is an increase of 1600% in two years' time. The four largest customers for iron and steel scrap are:

Italy, 1,084,582 tons; The United Kingdom, 1,015,549 tons; Ja-

pan, 715,823 tons; and West Germany, 691,891 tons.

Will we ever learn from past mistakes?

Some Mathematical Truths
The average American family is a family of four people. The United States has a population of 160 million people. One hundred sixty million divided by four make 40 million, the number of American families. Our \$5 billion yearly foreign aid bill divided by 40 million makes exactly \$125—the number of dollars the average American family has to pay each year for foreign aid.

CORN OATS AND WHEAT

Need plenty of quickly available phosphorous

YOU CAN SUPPLY IT WITH

Complete Balanced Liquid Fertilizers priced competitively with dry fertilizer of same analyses.

- * Top dress oats, wheat and legumes
- * Plow under for corn

Business and Finance

Maurice P. Angland
Investment management has become a highly developed art based on long experience and scientific training. There is no investment free of competition or the danger of obsolescence. Trolley cars lost out to the automobile; railroads feel competition of trucks and airlines; radio does not require long distance cables; plastics compete with metals in certain applications; and chemistry and electronics have changed whole industries.

It is the function of good investment management to thoroughly know developments in particular industries under their supervision and to accept or reject participation in certain industries and companies at certain times.

There is no such thing as absolute security and prudent risks based on intimate knowledge, must be assumed. The risks are further reduced thru wide diversification.

The word **AUTOMATION** now appears in the news rather

regularly. It is a product of the electronics industry and is expected to have greater economic and political effects than the Industrial Revolution of a century ago.

Under the title, "Automation—Robust Robot and Growth of Electronics," The Financial and Commercial Chronicle of March 16, 1956, carries a discussion of Automation by Paul A. Just, executive vice president of Television Shares Management Corporation.

In his article he describes Automation "as the use of machines to run machines" and he quotes Norbert Wiener of Massachusetts Institute of Technology as stating that Automation is the "human use of human beings." He states that machines will, in the future, perform duties that humans must now do.

Mr. Just tells of a Detroit radio poll in which it was found that Detroiters have two great fears—Russia and Automation. He, however, shows that Automation must come slowly due to great demand for engineers and trained technicians as well as the fact that company management must be assured that the end result will justify the very large investment required for such automation of a factory. He believes that it will come slowly and at an uneven rate and that economic factors will control its advance more than technological factors.

He dismisses fears of mass unemployment due to Automation by giving an example of American Telephone & Telegraph Co. and the dial operated telephone against the old "central" system. In 1920 the Bell System started to install dial operated phones and after 35 years, 85 percent of all Bell System phones are dial operated. He also points out another Bell System automation known as AMA (Automatic message accounting) which punches tapes recording calls and which tapes are later fed thru machines that actually print the bill that goes to the customer. He further points out that in 1920, there were 115,000 persons employed as operators and that in spite of Automation, at the end of August, 1955, there were 237,000 so employed.

As to the sudden automating of factories, he states, "Unfortunately, in a way, the discoveries of science capture the imaginations of the public more than the cold, hard facts of economics."

Mr. Just's article notes that Stanford Research Institute forecasts that electronic sales in 1960 will be 82 percent over the base year of 1953 whereas the gross national production is expected to increase, in the same years, from 14 to 20 percent. The labor force is expected to increase only between 8 and 10 percent.

the plants they will raise from seed will be Mother's day gifts.

Den 5 is looking forward to the Friday pack meeting at the Legion hall which will start at 7:30 p. m. sharp. They are also looking forward with anticipation to the tour planned to O'Hara field for pack 218, where they will see jet planes. The pack is scheduled to meet at the gates to O'Hara field Sunday at 2 p. m. for the tour.

Mr. and Mrs. Bob Watkins, Tinley Park florists, assisted by Mrs. Joan Knudson, gave unusually interesting talks and demonstrations on house plants, cut flowers and floral arrangements for centerpieces at the meeting of the Maue PTA held in the school Wednesday evening. The Watkins' were liberal with their time and equally as liberal with their flowers. They demonstrated arrangements from garden flowers to the most costly including one of flowers from Hawaii. A corsage of roses, was presented to Mrs. Harwood Stellwagen as the mother present having the most children. The three lovely centerpieces they made during the program were given as prizes. They went to Mrs. Owen Maue, Mrs. Norman Strassenburg and Mrs. Winifred Meinert. The general comment heard from those who attended has been, "We could have gone on and on listening and watching."

Mrs. John Cruise, who is cub scout den mother, is interested in organizing a child study group for this area. Any mother who might be interested is invited to call Mrs. Cruise at Fieldbrook 9-2916.

family accompanied by Mr. and Mrs. Charles Heuser of Peotone spent Sunday evening with Mr. and Mrs. Leon Knickrehm at Downers Grove.

Mr. and Mrs. Fred Burger and sons Leonard and Rickey of Cicero were dinner guests Sunday of Mr. and Mrs. Vincent Shortinger. The boys spent the weekend in the latter home.

Lou's Meisterling was the honored guest last Friday evening at a family gathering in his home in honor of his 34th birthday. A social evening was spent.

Miss Joyce Scheer, daughter of Mr. and Mrs. Harold Scheer, is a regular member of the radio players at the Elmhurst college radio station, WRSC. Miss Scheer assists in producing the program and is a sophomore student at the college.

Mr. and Mrs. Charles Schuldt and family attended the wedding of their niece Miss Doris Schuldt, daughter of Mr. and Mrs. Harold Schuldt of Mokena who became the bride of Glenn Immekus Saturday evening in the Immanuel Lutheran church in Mokena. Later they attended the reception which was held in the VFW hall.

Mr. and Mrs. William H. Bettenhausen entertained in their home Mr. and Mrs. Edward Schmidt and Mr. and Mrs. Edward Mueller of Manhattan Sunday evening.

Margaret Anderson, Diane Rab Diane Bettenhausen, Edward Bettenhausen, Marie Ann Bettenhausen and Cora Lee Krapf attended the sixth birthday party of Kenneth Krapf held in the home of Mr. and Mrs. Norman Krapf, his parents, Saturday afternoon at Manhattan.

The Young Womens Circle will meet at the home of Miss Esther Bettenhausen Thursday afternoon, April 26, at 1:30 p. m.

Mr. and Mrs. William C. Bettenhausen and family spent Sunday with her parents, Mr. and Mrs. Walter Deuchler at Aurora. Edward the eldest son remained

for a few days visit with his grandparents.

Mr. and Mrs. Earl Bettenhausen entertained at dinner Sunday, Mr. and Mrs. Albert Steinberg, Mrs. Mary Bettenhausen, Mrs. David Munson and Miss Nell Marie Munson of Evanston.

BERT FULTON SCHOOL
By Suzanne Watkins
Mrs. H. Lembe's first grade are getting goldfish for their room as part of a science unit on fish. They will study the habits of the fish and all take part in feeding them.

Mrs. F. Phillips' fourth grade are planning an assembly program for May. They hope it will be in the form of a Maypole. Also they are studying birds. Later they will go on a bird hike.

HIGH SCHOOL OPEN HOUSE
By Fran Swisher
Eighth grade students of the Tinley Park school and their parents were invited to attend an open house at the Bremen Community High School on April 11 at 8:00 p. m. At this open house sponsored by the Bremen high school PTA, a short meeting was held followed by a conducted tour of the school.

Students who will enter Bremen in September will be given entrance examinations on Saturday, April 21 at the school.

The Busy Homemakers Home Bureau unit met last Wednesday in the home of Mrs. Fredrick Uthe. Ten members were present. Routine reports were given. Mrs. Joseph Scott and Mrs. Thomas Gunhouse gave the major lesson on sight saving. The minor lesson was, Program planning, and was given by Mrs. Ray Walsh. Refreshments were served. The next meeting will be held May 2, at the home of Mrs. Thomas Gunhouse.

Mr. and Mrs. Conrad Uthe, Lester Uthe and son Raymond of Orland Park were Sunday supper guests of Mr. and Mrs. Fredrick Uthe.

Mr. and Mrs. Henry Smit and

ALPINE
Mrs. E. Mrosek
Fieldbrook 9-2841

Mr. and Mrs. Robert Nolan, daughters Donna, Gayle and Janet of Chicago were Sunday dinner guests of her parents, Mr. and Mrs. Garrett Cummins. Others who joined the Cummins family group Sunday evening were their son and family, Mr. and Mrs. Roy Cummins, Chris and Kathy of Harvey.

Mr. and Mrs. Roy Walker, Arthur and Jimmy, attended a party Sunday in Chicago in honor of his nephew, Timothy, son of Mr. and Mrs. Ray Walker, and his fifth birthday.

Mrs. John Cruise, Jimmy, Gary and Susan enjoyed a visit to two television studios in Chicago Monday where they saw programs popular with young people enacted. They saw Lunch Time Little Theatre at the WGN studio, which is a channel 9 feature from 12 to 1. From 4-5 they watched a channel 7 feature, The Little Rascals, performance at WBKB in the Daily News building. They were accompanied by Mrs. James Brooks, Bryan, and Mrs. Chink Schneider, Bruce and Pamela, all of New Lenox; and Miss Cathy Reiter of Joliet.

Mrs. Cruise attended bridal showers honoring two cousins in Chicago, Sunday. At 3 p. m. she was present at a shower for Miss Patricia Grubke and at 4:30 she attended a shower for Miss Margie Krause. Monday morning found Mrs. Cruise fatigued and fighting a cold. Pears like two television shows and two bridal showers in one week were just too much.

Raymond Knieriem was elected to serve a second term on the Maue school board at the election held in the school Saturday. Mr. Knieriem, who was not opposed was nominated by Edward Mrosek. Judges for the election were Charles Erickson, Mrs. Stuart Culp and Mrs. Owen Maue.

Maue's school directors held a meeting following the election to take care of their post-election duties. Harwood Stellwagen will continue as clerk and Edward Mrosek is the new president. Shortly after they began working together, two years ago the present school board, by mutual agreement, decided on a two year rotation of office so that the school board, regardless of changes, would never be without experience in the offices of clerk and president.

Cub scouts, den 5 of pack 218, met in the John Cruise home Wednesday afternoon. They studied pictures of birds and learned to recognize birds from hints. They cleaned sweet potatoes which they are encouraging to vine and cared for seeds they have planted in various containers. The sweet potato vines and

New "Paid up at 65" Hospital and Surgical Plan

Now, coverage for your active years plus modified coverage during retirement without further premiums.

One out of every eight Americans will go to the hospital this year. You know how fast hospital and medical bills can pile up!

That is why it is so important to have a Hospital and Surgical plan to help meet such expenses. This new Metropolitan Plan can help

as long as you live, especially during the later years when no further premium payments are required.

This new plan is guaranteed renewable. However, the Metropolitan Life Insurance Company may adjust the premiums on such policies as a class.

Telephone or write today for complete details of the Metropolitan "Paid up at 65" Hospital and Surgical Plan.
